INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 10 Weeks)**Chalet Hotels Ltd.**

10-Apr-2023 - 21-Apr-2023

1 Weeks**PROFILE:** Intern

o **Interior Design Execution:** Gained practical exposure to interior designing by working on layout planning, material selection, and aesthetic detailing to align with the project's design vision.

o **Flooring Installation & Finishing:** Acquired hands-on experience in overseeing flooring work, including selection of materials, quality checks, and ensuring precision in installation and finishing.

o **Workload & Team Coordination:** Managed workload distribution among site teams, monitored progress, and coordinated with vendors and contractors to ensure timely and efficient project completion.

AHAM BUILDERS, CONSULTANTS, DEVELOPERS

13-Oct-2023 - 21-Oct-2023

1 Weeks**PROFILE:** INTERN

- **Construction Site Management:** Gained hands-on experience in overseeing daily operations at multiple construction sites, ensuring smooth coordination between workers, contractors, and suppliers to meet project requirements. Sites at **Mangalapuram, Kazhakuttom and Manacaud** were all handled simultaneously for 2 weeks straight.

- **Technical & Planning Skills:** Studied the process of foundation construction, understood structural requirements, and learned how project schedules are developed, tracked, and adjusted to maintain deadlines. Understood the foundation maps and saw the shuttering and pile work.

- **Client & Stakeholder Coordination:** Interacted with clients to understand their requirements, provided regular progress updates, and ensured that work quality and timelines aligned with agreed expectations.

K Raheja Corp Real Estate Private Ltd.

04-May-2026 - 29-Jun-2026

8 Weeks**PROFILE:** ESG Intern

Contributing to **ESG reporting** and sustainable development initiatives through green building certifications such as **LEED, IGBC, and WELL**. Responsibilities include **project coordination, certification management, sustainability assessments, stakeholder engagement**, and supporting strategic ESG objectives across the project lifecycle.
