15-Jan-2025 - 15-Jun-2025

21 Weeks**PROFILE: INTERN**

I supported day-to-day construction activities under the guidance of site engineers. The role included assisting in monitoring work progress, maintaining basic records, and preparing daily work updates. My role was to understand the help with measurements, material tracking, and coordination with contractors and suppliers. Participation in site meetings and safety checks provided exposure to professional work practices. My work was focused on learning how construction projects are planned, executed, and managed, while developing communication, teamwork, time management, and problem-solving skills.
