REPPLEN PROJECTS PRIVATE LIMITED

04-May-2026 - 30-Jun-2026

8 Weeks**PROFILE:** INTERN-PLANNING

Assisted in the preparation of daily labour reports by recording contractor-wise manpower deployment and maintaining accurate site records. Performed quantity take-offs and basic quantity calculations from construction drawings for ongoing site activities. Reviewed architectural and structural drawings using AutoCAD to understand project details and support planning activities. Conducted regular site visits to monitor construction progress, verify executed work, and compare site conditions with approved drawings. Coordinated with site engineers and contractors to collect project data and ensure timely documentation of daily progress. Gained practical exposure to construction planning, quantity estimation, and overall site management processes.

CERTIFICATION DETAIL

- Autodesk AutoCad, Revit Architecture
