INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 34 Weeks)

Khalatkar construction Infra pvt. ltd.

05-Jan-2024 - 05-Jul-2024

26 Weeks

PROFILE: Site Engineer

- Assisted in the execution and supervision of a concrete road construction project from Mehadia Square to Congress Nagar.
- Conducted regular site inspections to monitor construction quality, work progress, and compliance with safety standards.
- Gained practical exposure to pavement construction, including **GSB, DLC, and PQC** layers, their functions, and execution sequence.
- Learned survey operations, including **alignment, levelling, and layout marking** for road construction.
- Gained knowledge of **engineering drawings, quality control, and daily site coordination**.

Kalpataru Projects International Limited

04-May-2026 - 04-Jul-2026

8 Weeks

PROFILE: PMG Intern

- Learned project planning, scheduling, and progress monitoring for the Nagpur Metro Phase 2 Project.
- Gained practical exposure to micro planning, Material Requirement Planning (MRP), and steel reconciliation for effective resource management.
- Understood subcontractor billing, labour reconciliation, and SAP-based commercial processes, including PR, PO, SES, and invoice management.
- Observed construction methodologies for piling, segment casting, span launching, and quality control through regular site visits.
- Developed knowledge of construction safety practices, project documentation, and coordination among planning, execution, commercial, procurement, quality, and safety departments.
- Enhanced my understanding of integrated construction project management through real-time exposure to planning, execution, monitoring, and cost control activities.
