08-Jan-2024 - 08-Mar-2024

8 Weeks**PROFILE:** Project Intern

- Analyzed **planned vs. actual cost and quantity data**, surfacing cost overrun risk early to support corrective commercial action.
- Verified **quantity take-offs** for pavement layers (GSB, WMM, DBM, BC, PQC) against design drawings, ensuring billing accuracy.
- Estimated **activity durations and resource requirements**, feeding into Primavera schedules used for cost and progress tracking.
- Updated **Primavera schedules** weekly with workforce, material, and progress data to keep commercial milestones on track.
- Prepared and communicated **daily and weekly progress reports** to stakeholders, supporting timely financial decision-making.

Ahluwalia contracts (india) ltd

04-May-2026 - 04-Jul-2026

8 Weeks**PROFILE:** Intern

- Reviewed **contract administration** under an Item Rate Contract, analyzing clauses, payment terms, and commercial risk exposure to support billing accuracy.
- Reconciled **quantity take-offs against BOQ and rate analysis**, identifying discrepancies and flagging them for correction before certification, reducing billing errors.
- Verified **invoices during bill certification**, cross-checking measured quantities against contract rates to prevent overpayment and ensure commercial compliance.
- Reviewed **QA/QC and safety protocol adherence** on site, documenting non-conformances to support risk mitigation and audit readiness.
- Supported **tower-level planning and sequencing** for a 5-tower, 25-acre residential development, mapping commercial milestones across the project lifecycle.
- Tracked **equipment deployment and utilization**, identifying idle time to support cost-efficiency and resource-planning decisions.
