SUMMARY OF QUALIFICATION

Course / Programme	Board / University Name	CGPA/ (%)	Passing Year
MBA-ACM	NICMAR University, Pune	8.74	2027
B.E. <i>Civil Engineering</i>	OSMANIA UNIVERSITY	67.04	2022-May
Intermediate <i>Science (PCM)</i>	TELANGANA STATE BOARD OF INTERMEDIATE EDUCATION	90	2018-Apr
High School	BOARD OF SECONDARY EDUCATION, TELANGANA	98	2016-Mar

INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 43 Weeks)**Imarat Consulting Services**

18-Oct-2021 - 18-Nov-2021

4 Weeks**PROFILE:** Intern

1. Analyzed and designed a multi-storeyed residential building using ETABS as per Indian Standards.
2. Modelled structural elements considering dead load, live load, wind load, and earthquake load.
3. Performed static and dynamic analysis to ensure safety, serviceability, and economy of the structure.
4. Prepared design outputs and reports to verify structural performance over the design life.

TURINGMINDS.AI

01-Oct-2022 - 12-May-2023

31 Weeks**PROFILE:** DATA SCIENTIST

- Collected, cleaned, and analyzed structured and unstructured datasets to identify key patterns, trends, and relationships, supporting data-driven business analysis and decision-making.
- Developed and tested basic machine learning models to analyze datasets, identify meaningful insights, and support predictive analysis for business problems.
- Utilized **Python, SQL, and Tableau** for data manipulation, analysis, visualization, and reporting, transforming raw data into clear and actionable information.
- Created dashboards and visual reports to communicate analytical findings effectively and highlight key performance trends to stakeholders.
- Collaborated with cross-functional teams to understand data requirements and provide clear, structured, and actionable insights for business decision-making.

Rodic Consultants Pvt Ltd.

11-May-2026 - 11-Jul-2026

8 Weeks**PROFILE:** Operations - Intern

- Analyzed complex **EPC contract and RFP documents** to identify key contractual, commercial, financial, risk, and compliance provisions, translating them into structured and actionable project insights.
- Studied and developed **Key Performance Indicators (KPIs)** for monitoring infrastructure projects across project progress, financial performance, quality, safety, contractual compliance, and risk management.

- Managed and prepared project datasets by **cleaning, validating, standardizing, and restructuring data** across project, contractor, consultant, commercial, and manpower functions to improve reporting accuracy.
- Developed a **5-page interactive Power BI dashboard** for Highway, Bridge and Tunnel (HBT) projects, integrating project, contractor, consultant, commercial, financial, and manpower information into a centralized reporting platform.
- Performed **Power Query transformations, relational data modelling, DAX measure development, and interactive visualization**, enabling portfolio-level and project-level performance monitoring.
- Prepared a comprehensive **Scope of Work for Structural and Quality Audits** covering under-construction, existing, and prefabricated buildings, incorporating inspection procedures, deliverables, applicable standards, timelines, and safety requirements.
- Conducted independent research and prepared **structured analytical reports, risk summaries, and technical documentation** for project and consultancy requirements.

CERTIFICATION DETAIL

- Business Analytics Program
- Project Planning and Execution Management
