**TOTAL WORK EXPERIENCE: 36 month(s)**
**Siddhivinayak Infrastructure**

01-Aug-2022 - 31-Jul-2024

**1 Years, 11 Months, 30 Days**
**PROFILE:** Billing Engineer

- Prepared comprehensive **Project cost estimates** by analysing drawings, specifications, quantities, and market rates to improve cost accuracy.
- Managed **subcontractor billing and client Running Account billing** for infrastructure projects exceeding **100 Cr**, ensuring compliance with contractual obligations, technical specifications, and commercial standards.
- Conducted **material reconciliation** by analysing construction material consumption, identifying cost variances, and supporting a **5–10% reduction in material wastage** through effective resource utilization and inventory control.
- Managed financial reporting for **7+ infrastructure projects** by preparing **monthly cost reports, billing forecasts, cash flow analyses, and project progress reports**, enabling accurate project cost tracking and informed management decisions.

**Laxmi Infra Vision Private Limited**

01-Aug-2024 - 31-Jul-2025

**0 Years, 11 Months, 30 Days**
**PROFILE:** Junior Engineer

- Supervised and executed **government irrigation and water infrastructure projects for Vidarbha Irrigation Development Corporation (VIDC)**, coordinating site activities, manpower, materials, subcontractors, and quality requirements as per approved drawings and specifications.
- Managed **site measurements, Daily Progress Reports (DPRs), Measurement Books (MBs), material reconciliation, and subcontractor billing**, ensuring accurate quantity tracking, cost control, and timely project documentation.
- Coordinated with engineers, contractors, and project teams to ensure **timely execution, quality compliance, and adherence to project schedules and government project requirements**.
- Managed the **end-to-end tendering process** for water supply and infrastructure projects across multiple locations in India, including **tender analysis, BOQ review, quantity take-offs, and rate analysis**.
- Successfully **bid for and secured 20+ irrigation and water infrastructure projects** across multiple locations in India by **evaluating tender requirements, BOQs, project risks, contractual conditions, and commercial parameters** to develop competitive bidding strategies.

**INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 21 Weeks)**
**DECENT ENGINEERING**

01-Jan-2022 - 01-Apr-2022

**12 Weeks**

**PROFILE: SITE ENGINEER**

- **Supervise** D-Wall excavation, reinforcement, and concreting as per **drawings** and **safety standards**.
- **Check** alignment, depth, and quality of slurry, reinforcement, and concrete.
- **Coordinate** with **contractors, consultants, and batching plants** for **smooth execution**.
- Maintain **DPRs, quality reports, and measurement records** for **billing**.
- Ensure site safety, equipment maintenance, and environmental compliance.

**SOBHA Limited**

11-May-2026 - 13-Jul-2026

**9 Weeks****PROFILE: Project Management**

- **Assisted in planning, scheduling, and monitoring** construction activities to ensure **timely execution** of **project milestones**.
- **Coordinated** with **site engineers, subcontractors, and consultants** to support smooth project **execution and resolve on-site issues**.
- Conducted **quality inspections** for **reinforcement, formwork, concreting, masonry, and finishing works**, ensuring compliance with project specifications.
- **Monitored daily progress, prepared Daily Progress Reports (DPRs)**, and maintained **project documentation and site records**.
- **Verified work quantities**, supported BOQ reconciliation, and assisted in **subcontractor billing and material management**.
