INTERESTS

- Dance
- Modeling

SUMMARY OF QUALIFICATION

Course / Programme	Board / University Name	CGPA/ (%)	Passing Year
MBA-APM	NICMAR University, Pune	7.60	2027
Graduation	APJ ABDUL KALAM TECHNOLOGICAL UNIVERSITY	70.01	2024-Dec
Intermediate	CBSE KERALA	77.4	2019-May
High School	ICSE KERALA	71.67	2017-May

INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 41 Weeks)**Heather constructions**

01-Apr-2024 - 21-Nov-2024

33 Weeks**PROFILE:** Assistant Project Engineer (Civil Execution)**Assistant Project Engineer – Civil Execution | Heather Constructions**

- Supported project planning, scheduling and progress monitoring using MS Project and Primavera, tracking planned vs. actual progress and schedule performance.
- Monitored project schedules, identified delays, execution constraints and deviations, and supported timely escalation and resolution with relevant stakeholders.
- Analysed quantities, measurements and cost-related data to support estimation, billing and project-control activities.
- Supported material estimation, rate analysis and cost monitoring, contributing to project cost and resource-control activities.
- Coordinated with contractors, consultants and internal project teams to resolve site coordination issues and facilitate timely project execution.
- Prepared daily and weekly progress reports, project trackers and management reports, providing structured updates on project status and performance.

Godrej Properties

15-May-2026 - 15-Jul-2026

8 Weeks**PROFILE:** QA/QC**QA/QC Intern | Godrej Properties Ltd.**

- Supported QA/QC inspections for structural and finishing activities, ensuring compliance with approved drawings, specifications and inspection checklists.
- Analysed quality observations and non-conformities, supporting root-cause analysis and corrective/preventive actions.
- Coordinated with engineers, supervisors and QA/QC teams for inspection, issue resolution and closure of non-conformities.
- Prepared and maintained inspection reports, compliance trackers and quality documentation for systematic monitoring and reporting.
- Participated in concrete testing and analysed quality and test data to support construction quality assessment.
- Analysed recurring construction defects and contributed to quality improvement and process-improvement recommendations.

CERTIFICATION DETAIL

- Diploma in BIM and QUANTITY SURVEY
