Exposed to the preparation of estimate for the purpose of Administrative Approval/ Technical Sanction, Tender process & execution of different construction activities for canal lining pipe distribution network/lift irrigation system/ RMC Plant works, Study of hydrology, Rainfall measurements, etc.

Gubbi Civil Engineers Ltd

04-May-2026 - 04-Jul-2026

8 Weeks
PROFILE: Project Management Intern

- Assisted Project Managers in planning, scheduling, and monitoring brownfield repair and rehabilitation projects across commercial and infrastructure facilities, ensuring deliverables

stayed within set timelines and standards.

- Took the initiative to build automated Excel/VBA dashboards for DPRs, material consumption, and EVM reporting, replaced manual cumulative reporting with dynamic, self-updating summaries, and improving reporting turnaround with minimal supervision.
- Prepared and updated project schedules using Primavera P6, MS Project, and MS Excel, supporting proactive project planning and control.
- Analyzed schedule variances using EVM principles, monitored progress against milestones, and flagged deviations early to support timely corrective reporting.
- Coordinated with site engineers, contractors, consultants, and vendors to support project execution and contractor performance monitoring across concurrent project sites.
- Reviewed engineering drawings, BOQs, specifications, and contract documents to support accurate project planning, cost control, and execution.
- Supported quantity estimation, material reconciliation, and progress measurement, contributing to reliable cost control and client facing project reporting.

ACHIEVEMENT DETAIL

1. Research & Development Project- Repair & retrofitting works, Baghpath, Uttar Pradesh

Sponsor: M/s NBCC India Ltd | Institution: Civil Engineering Department, VNIT Nagpur

Implemented structured planning and cost monitoring framework for a cost-plus repair project, enhancing financial transparency and execution control.

2. Secured a GATE score of 43.3 in Civil Engineering in 2022,

Worked on achieving the strong technical proficiency and competitive performance in a national-level examination.
