

ROLL NUMBER: P25700326

Mr. Soham Shaileshbhai Patel
Male

DOB

07-Feb-2000

TECHNICAL SKILLS

- AutoCAD
- MS Office
- MS Project
- Primavera
- Power bi
- Excel
- Revit

PERMANENT ADDRESS

53,54 Jantanagar Soc. B, B/H
 Kapadia Health Club, New Civil
 Road, Bhatar, Surat
 City: Surat
 State: Gujarat
 Pincode: 395002

LANGUAGE

- ENGLISH
- HINDI
- GUJARATI

SUMMARY OF QUALIFICATION

Course / Programme	Board / University Name	CGPA/ (%)	Passing Year
MBA-ACM	NICMAR University, Pune	9.03	2027
B.E. <i>Civil Engineering</i>	GUJARAT TECHNOLOGICAL UNIVERSITY	77.8	2021-Jun
Intermediate <i>Science (PCM)</i>	GUJARAT SECONDARY AND HIGHER SECONDARY EDUCATION BOARD, SURAT	64	2017-Mar
High School	GUJARAT SECONDARY AND HIGHER SECONDARY EDUCATION BOARD, SURAT	71.5	2015-Mar

TOTAL WORK EXPERIENCE: 43 month(s)
Professional Engineering Services

11-Nov-2021 - 30-Apr-2023

1 Years, 5 Months, 19 Days
PROFILE: Junior Civil Engineer

- Supported **day-to-day civil construction execution and site supervision**, ensuring activities were completed in accordance with approved drawings, specifications, project requirements, and planned schedules.
- Reviewed **construction drawings, line, level, alignment, reinforcement, and shuttering** prior to concreting and coordinated with site teams during concrete placement and casting activities.
- Supervised **site labour and subcontractors**, coordinating work fronts and ensuring execution complied with approved drawings, technical requirements, quality standards, and safe work practices.
- Coordinated with site personnel for **material movement, work-front readiness, housekeeping, barricading, and site safety**, supporting efficient and safe project execution.
- Monitored **quality of executed works and material utilization**, identifying deviations and supporting corrective actions while minimizing material wastage.
- Participated in **site coordination meetings**, communicated execution requirements, followed up on assigned actions, and coordinated with supervisors, foremen, and site teams to maintain work progress.

AVADH GROUP

08-May-2023 - 30-Jun-2025

2 Years, 1 Months, 22 Days
PROFILE: Junior Civil Engineer

- Reviewed **approved engineering drawings, technical specifications, BOQs, and Bar Bending Schedules (BBS)** to establish construction requirements and support effective project execution.
- Planned, coordinated, and supervised **RCC and civil works**, including foundations, columns, beams, slabs, masonry, plastering, and finishing activities, ensuring compliance with approved drawings, specifications, quality requirements, and project schedules.
- Coordinated with **contractors, subcontractors, consultants, and project stakeholders** to resolve technical and execution issues, maintain work fronts, and achieve project milestones.
- Monitored **daily project progress, manpower deployment, material utilization, and work productivity**, preparing Daily Progress Reports (DPRs) and supporting schedule and resource monitoring.
- Verified **executed quantities and site measurements** and assisted in the preparation, review, and certification of **contractor running bills**, supporting effective quantity and cost control.

- Conducted **QA/QC inspections** for reinforcement, formwork, concreting, dimensions, and other civil works, ensuring compliance with approved specifications and project quality requirements.
- Coordinated **material procurement, delivery, storage, and consumption**, maintaining material records and supporting inventory control and reduction of construction wastage.
- Identified **construction risks, technical issues, and execution constraints**, coordinated corrective actions with relevant teams, and supported resource allocation, construction planning, and project documentation.
- Participated in **site coordination and progress review meetings**, followed up on action items, and communicated project requirements across engineering, construction, and contractor teams.

INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 9 Weeks)

NBCC (INDIA) LIMITED

04-May-2026 - 10-Jul-2026

9 Weeks

PROFILE: Project Intern

- Supported project execution activities for **Leisure Valley Phase-II Residential Apartments**, comprising **6 residential towers (2B+2S+G+39)** at various stages of foundation, basement, podium, and RCC construction.
- Monitored execution of **raft foundations, basement retaining walls, columns, shear walls, slabs, reinforcement, formwork, and concreting**, ensuring compliance with approved drawings, BBS, technical specifications, and quality requirements.
- Performed **quantity measurements and executed-work verification**, maintained daily progress records, and supported project teams in monitoring construction progress against planned activities.
- Assisted in **work planning, contractor coordination, manpower deployment, and equipment utilization**, gaining practical exposure to construction resource planning and project execution control.
- Reviewed **structural drawings, BOQs, BBS, and inspection requests** and supported stage-wise QA/QC inspections, material verification, and execution checks.
- Participated in **site coordination and progress monitoring**, identifying execution issues and supporting follow-up actions with contractors and project teams.
- Gained practical exposure to **construction sequencing, project scheduling, resource planning, quality management, project documentation, and large-scale project execution** within an EPC project environment.

CERTIFICATION DETAIL

- Revit
- Auto CAD

ACHIEVEMENT DETAIL

- **Member, American Society of Civil Engineers (ASCE)** - Engaged with a global professional network in civil engineering.
- **State-Level Volleyball Player** with inter-college participation in **Chess, Cricket, and Esports**, and served as a **Sports Coordinator and Volunteer** during the college Sports Week.
- **NCC Cadet during school**, trained in **Karate (White Belt)**, participated in various sports events, and took part in the **Gujarat Marathon**, demonstrating discipline, teamwork, and an active sporting spirit.
