INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 39 Weeks)

ARCHIMEDES CONSULTANT PVT LTD

13-Jan-2025 - 17-Apr-2025

13 Weeks

PROFILE: INTERN

Interning at Archimedes, a specialized hospital design firm, gave me valuable exposure to the complexities of healthcare architecture.

- Assisted in interior material selection and development of design mock-ups.
- Developed understanding of functional zoning, circulation, hygiene, safety, and user comfort in healthcare spaces.

TRANQUIL , THE DESIGN WAVE

01-Jun-2023 - 14-Oct-2023

19 Weeks

PROFILE: INTERN

My internship at Tranquil “ The Design Wave offered me the opportunity to engage with a wide spectrum of projects.

- Assisted in **design development, spatial planning and project coordination** across diverse projects.
- Prepared **working drawings** using AutoCAD and developed visualizations using **SketchUp, Lumion and Enscape**.

BHAJAN INFRATECH PVT. LTD.

04-May-2026 - 27-Jun-2026

7 Weeks

PROFILE: Project Manager Intern

During my two-month internship at Bhajan InfraTech Pvt. Ltd., I gained practical exposure to various stages of railway infrastructure project management.

Key Responsibilities :

- Assisted in **project planning, scheduling and coordination** of Railway Over Bridge (ROB) projects.
- Gained exposure to the **project lifecycle from tendering and DPR preparation to execution and monitoring**.
- Supported **project estimation, documentation and quantity-related activities** for ROB projects.
- Coordinated with **internal teams, consultants and external stakeholders** across multiple locations.
- Assisted in **project progress tracking, reporting and stakeholder follow-ups**.
