

**ROLL NUMBER:** P25700386

**Mr. Rishu Kumar**

Male

**DOB**

24-Mar-1999

**TECHNICAL SKILLS**

- AutoCAD
- MS Office
- MS Project
- Primavera

**PERMANENT ADDRESS**

Mini Bigha , Jaidev Nagar  
 Aurangabad , Bihar (824101)  
 City: Aurangabad  
 State: Bihar  
 Pincode: 824101

**LANGUAGE**

- English
- Hindi

**Profile Verification Status**

- 10th Marksheet/Certificate is not verified.
- 12th Marksheet/Certificate is not verified.
- Graduation Marksheet/Certificate is not uploaded.
- Aadhar Card is not verified.

**SUMMARY OF QUALIFICATION**

| Course / Programme                    | Board / University Name                  | CGPA/ (%) | Passing Year |
|---------------------------------------|------------------------------------------|-----------|--------------|
| MBA-ACM                               | NICMAR University, Pune                  | 8.23      | 2027         |
| B.Tech<br><i>Civil Engineering</i>    | D.I.T UNIVERSITY DEHRADUN<br>UTTARAKHAND | 61.8      | 2020-Jul     |

| High School                           | C.B.S.E BOARD DELHI                      | 81.6      | 2014-Jul     |

**TOTAL WORK EXPERIENCE: 29 month(s)**
**Pasa Resources pvt. ltd**

02-Jan-2023 - 30-Apr-2024

**1 Years, 3 Months, 28 Days**
**PROFILE:** Site Engineer

- **Conducted preliminary site inspections** of potential construction sites to scope essential tasks and identify execution risks.
- **Oversaw construction execution and delegated work** across manpower trades, coordinating resourcing to meet project schedules.
- **Implemented safety and quality control measures** on site, ensuring compliance with industry standards and minimizing risks during execution.
- **Prepared site reports and completed documentation** to support progress tracking and management reporting.
- **Resolved technical difficulties during construction**, engaging with clients, subcontractors, and professional staff to ensure contract compliance and timely issue resolution.

**TEXAM Projects LLP**

06-May-2024 - 05-Jul-2025

**1 Years, 1 Months, 29 Days**
**PROFILE:** Site Engineer

- **Executed an EPC contract project end-to-end**, overseeing construction to ensure delivery on schedule and within budget.
- **Provided technical guidance and supervision** to construction crews, maintaining execution quality and adherence to specifications.
- **Enforced quality and safety standards** across site operations through consistent on-site quality control and compliance monitoring.
- **Collaborated with architects and project managers** to coordinate execution and align work with contractual scope and design intent.
- **Identified and resolved on-site issues promptly**, ensuring smooth and uninterrupted project operations.

**INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 23 Weeks)**
**PWD Dehradun**

23-Apr-2018 - 04-Jul-2018

**10 Weeks**
**PROFILE:** Intern

- **Observed advanced construction methodologies** employed in hilly terrain for a multi-storey RCC (Reinforced Cement Concrete) structure.
- **Analyzed design considerations** including vehicle circulation, ramp gradients, structural load distribution, and ventilation systems in a multi-level parking facility.
- **Assisted in site supervision and quality monitoring** of reinforcement placement, formwork installation, concreting, and curing processes to ensure adherence to standards.
- **Gained practical insights into geotechnical challenges**, particularly foundation works and retaining structures in complex hill environments.

**BRBCL**

24-Jun-2019 - 30-Jul-2019

**5 Weeks**
**PROFILE:** Intern

- **Assisted in civil engineering works** for thermal power plant infrastructure.
- **Gained hands-on exposure** to construction activities and site operations.
- **Worked under senior engineers and project managers**, learning technical practices and project coordination.
- **Studied key stages of civil works**, including foundations and structural elements.
- **Adhered to safety protocols** and maintained professional conduct throughout the internship.

**Cemindia Project Limited**

04-May-2026 - 30-Jun-2026

**8 Weeks**
**PROFILE:** Summer Intern

Completed internship across departments on Project Seabird Phase IIA PMC-01, an infrastructure project for the Indian Navy at Karwar, Karnataka, executed under AECOM India.

- **Planning & Contracts:** Studied contract documents, analysed PCC clauses, reviewed EOT claims, and gained exposure to site billing through Inspection Requests, RA Bills, and Primavera P6 scheduling.
- **Quality Assurance & Quality Control:** Worked with the Project Quality Plan, Inspection & Test Plans, and Material Inspection Requests; Batch plant calibration, and the NCR workflow.
- **Environment, Health & Safety:** Learned the Environmental Risk Assessment register, HIRA methodology, and near-miss reporting systems.
- **Procurement:** Gained exposure to the Procurement cycle, vendor evaluation, negotiation strategy, and purchase order management.
- Conducted Red Flag risk analyses and documented key learnings through a structured internship report.
- **MEP:** Studied tender specifications, reviewed shop drawings, coordinated mechanical and electrical layouts, and gained exposure to site billing through material inspection reports, measurement books (MB), and vendor progress tracking.
