TOTAL WORK EXPERIENCE: 22 month(s)
Aditya Birla Group

01-Aug-2023 - 28-Jun-2025

1 Years, 10 Months, 27 Days
PROFILE: Assistant Manager, Civil & Construction

 During my tenure at **Aditya Birla Group**, I was assigned the following tasks :

1. Managed **site execution, project planning, monitoring**, and **MIS reporting** for a **14 km long, 5.6 MTPA Coal Handling Plant (CHP) Project** executed remotely in coordination with site teams.
2. Oversaw implementation of **Rapid Loading System**, including construction monitoring of **15,000-ton coal bunker** and **2,000-ton coal silo** to ensure adherence to project timelines, quality standards, and safety norms.
3. Led **design finalization, vendor coordination**, and **procurement planning** for construction of **HEMM Workshop**, ensuring **cost control** and **schedule compliance**.
4. Monitored **execution of civil infrastructure works** such as **culverts, bridges**, and **miscellaneous construction activities** in the **mines area**, ensuring **progress tracking** and **issue resolution**.
5. Maintained project **MIS dashboards, progress reports**, and **stakeholder communication** to support **decision-making and performance monitoring**.

INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 9 Weeks)
Grant Thornton Bharat LLP

04-May-2026 - 11-Jul-2026

9 Weeks
PROFILE: Client study, research

1. Identify specific policies present across different sectors in different states. Design a template with common parameters under which every policy can be evaluated. Review industrial policies of different states under the common template and compare the incentives given in each policy.
2. Identify sunrise sectors in Maharashtra. For each sector identify the success parameters and compare the numbers of each parameter in Maharashtra with top 5 other states.
3. Compare budgets of Tamil Nadu and Andhra Pradesh with Maharashtra. Identify trends, key features, possible risks and what Maharashtra can learn from the other two states.
4. Analyse industrial infrastructure in West Bengal. Document WB's performance in various sectors in the last 10 years, existing major players in these sectors and the current positioning of WB in comparison to other states. Also evaluate WB's growth potential and opportunities in these sectors.
5. Identify emerging districts in Maharashtra and their sector focus. Identify the districts for setting up an industrial park. Determine various tasks that need to be completed as per the lifecycle of a project to set up an industrial park.
