03-Apr-2023 - 01-Sep-2023

21 Weeks**PROFILE: TRAINEE**

During my internship as a Trainee in the QA/QC department, I was assigned to the Gohaâ€œKhellani Road project in the Doda District of Jammu & Kashmir. My role involved a combination of technical supervision and detailed documentation. I was responsible for preparing and submitting daily reports to the Head of Department (HOD), which included results of on-site and laboratory tests, Daily Progress Reports (DPR), Monthly Progress Reports (MPR), as well as temperature and weather condition records. In addition to reporting, I was actively involved on-site, overseeing various aspects of road construction, including soil investigation, quality testing during the road laying process, and conducting post-laying evaluations to ensure compliance with quality standards.
