

ROLL NUMBER: P25709047

**Mr. Raju Ram Purohit**
Male**DOB**

05-Mar-2004

TECHNICAL SKILLS

- AutoCAD
- MS Office

PERMANENT ADDRESS

Daulatpur, Raniwara, Jalor
Rajasthan
City: Jalore
State: Rajasthan
Pincode: 343040

LANGUAGE

- English
- Hindi
- Marwadi

SUMMARY OF QUALIFICATION

Course / Programme	Board / University Name	CGPA/ (%)	Passing Year
M.Tech-CTM	NICMAR University, Pune	8.18	2027
Graduation	RAJASTHAN TECHNICAL UNIVERSITY	80.3	2025-Jun
Diploma	FR. AGNEL POLYTECHNIC	68.47	2022-Jul
High School	RAJASTHAN	74	2019-Jun

INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 19 Weeks)**Himani Enterprises**

20-Jul-2024 - 02-Sep-2024

6 Weeks**PROFILE:** Site Engineer

- Assisted in marking and layout of the villa as per architectural and structural plans.
- Gained practical exposure to reinforcement placement techniques for structural elements like columns, beams, and slabs.
- Prepared and interpreted Bar Bending Schedules (BBS) for various structural components.
- Calculated material quantities including concrete, steel, and formwork for different stages of construction.
- Coordinated with site engineers and supervisors to understand on-site execution and quality control procedures.
- Ensured accuracy in measurements and documentation as per project requirements.

AD Constructions

21-Jul-2023 - 19-Aug-2023

4 Weeks**PROFILE:** Site Engineer

- Conducted material testing to ensure construction materials met required standards for strength, durability, and safety.
- Assisted in project inspection, monitoring site activities and verifying compliance with design specifications and safety protocols.
- Supported scheduling tasks, helping coordinate timelines, resource allocation, and progress tracking to maintain project efficiency.
- Gained hands-on experience in quality control, site supervision, and construction workflow management.
- Collaborated with engineers and site supervisors to understand real-world challenges in multistorey building construction.
- Developed technical and analytical skills relevant to civil engineering and project execution.

Larsen & Toubro

04-May-2026 - 08-Jul-2026

9 Weeks**PROFILE:** Construction Management / Site Engineering Intern

- Monitoring day-to-day construction activities at the project site.
- Understanding construction planning and execution procedures.
- Assisting in site coordination between engineers, contractors, and other project teams.
- Studying formwork, precast/prefabrication, and construction methodologies.
- Observing material, manpower, machinery, and resource utilization.
- Supporting quality and safety monitoring at the site.
- Understanding project scheduling and progress tracking.
- Studying the application of BIM and digital construction practices.
- Preparing site reports, observations, and documentation.

PUBLICATIONS DETAIL

Supplementary Cementitious Materials for Sustainable Construction: An Analysis on Industrial by Products in 2025

CERTIFICATION DETAIL

- Gits Shining Stars
- TECHNOCRATZ
- Learn Delta
- Bentley Advancing Infrastructure
- Gate Score Card
- Effective Drafting Using AutoCAD
- L&T Edutech™s Industry Training Program In “Civil Engineering”
- Udemey, Technical report Writing
- NPTEL ONLINE CERTIFICATION, Air Pollution and Control
- NPTEL ONLINE CERTIFICATION, Basic Construction Materials
- NPTEL ONLINE CERTIFICATION, Traffic Engineering
- NPTEL ONLINE CERTIFICATION, Sustainable Transportation Systems
- NPTEL ONLINE CERTIFICATION, Fluid Mechanics
- NPTEL ONLINE CERTIFICATION, Introduction to Civil Engineering Profession
- NPTEL ONLINE CERTIFICATION, Wastewater Treatment and Recycling

ACHIEVEMENT DETAIL

Participate in Technocratz-2022
