SUMMARY OF QUALIFICATION

Course / Programme	Board / University Name	CGPA/ (%)	Passing Year
MBA-ACM	NICMAR University, Pune	7.15	2027
B.Tech <i>Civil Engineering</i>	DR. VISHWANATH KARAD MIT-WORLD PEACE UNIVERSITY	60	2024-Oct
Intermediate <i>Science (PCMB)</i>	MAHARASHTRA STATE BOARD AURANGABAD DIVISIONAL	61.85	2019-Feb
High School	MAHARASHTRA STATE BOARD KOLHAPUR DIVISIONAL	67	2017-Mar

TOTAL WORK EXPERIENCE: 3 month(s)**Unique Pest Control Service**

13-Dec-2023 - 30-Mar-2024

0 Years, 3 Months, 17 Days**PROFILE:** Civil Engineer

1. Worked as a third-party Consultant Engineer for Air India, coordinating EPC activities to ensure smooth project execution and timely completion.
2. Reviewed contractor bills, BOQs, site measurements, and project documentation associated with Air India projects to ensure accuracy and compliance.
3. Conducted site inspections for Air India projects to monitor construction quality, safety, and adherence to approved drawings and technical specifications.
4. Assisted in resolving on-site technical challenges and prepared project progress and inspection reports.
5. Monitored project schedules, resource utilization, and regulatory compliance to support efficient project delivery.
6. Successfully contributed to the completion and handover of 4 projects within 3 months, demonstrating effective coordination, time management, and the ability to deliver results within a short project tenure.

INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 39 Weeks)**Maharashtra Metro Rail Corporation Limited**

20-Dec-2021 - 19-Jan-2022

4 Weeks**PROFILE:** Project Management Engineer Trainee

1. Supported day-to-day construction activities at Pune Maha Metro project sites by tracking work progress and coordinating with site teams to ensure smooth execution.
2. Prepared and maintained project documentation, site inspection records, and Daily Progress Reports (DPRs) to monitor construction progress.
3. Assisted in project planning, schedule tracking, and resource coordination to support timely completion of construction activities.
4. Coordinated with civil, mechanical, and electrical teams to monitor site activities and ensure compliance with approved drawings and technical specifications.
5. Used MS Excel and project management tools to maintain progress records, organize project data, and prepare regular project updates.

Meera Cleanfuels Limited

10-Oct-2022 - 25-Apr-2023

28 Weeks

PROFILE: Jr. Project Engineer Trainee

1. Supported project managers in coordinating engineering activities, tracking assigned tasks, and facilitating communication between project teams.
2. Prepared and revised technical drawings using AutoCAD to incorporate design changes and meet project requirements.
3. Managed engineering documents, drawing registers, and revision records to maintain accurate and up-to-date project information.
4. Assisted in monitoring project milestones, updating schedules, preparing Minutes of Meetings (MoM), and compiling project status reports.
5. Reviewed technical documents and drawings for consistency with project specifications, quality standards, and approved revisions.
6. Gained hands-on exposure to biofuel project operations, engineering processes, and project management practices in an industrial environment.

Pidilite Industries

04-May-2026 - 26-Jun-2026

7 Weeks**PROFILE:** Summer Intern

1. Conducted field visits across Mumbai and Ahmedabad engaging with contractors, architects, builders, and other stakeholders to understand bathroom construction practices and material requirements.
2. Conducted comparative market research across both states to analyse regional differences in construction material preferences, product demand, pricing, and purchasing behaviour.
3. Collected and analysed primary data through site visits, market interactions, and stakeholder interviews to identify customer needs, product selection factors, and market challenges.
4. Studied procurement practices, competitor offerings, and brand preferences to understand market dynamics and identify business opportunities for Pidilite's Roff products.
5. Evaluated regional market trends and construction practices to identify gaps, customer requirements, and potential growth opportunities in the bathroom ecosystem.
6. Prepared project reports and presented market insights and comparative findings to support business analysis and go-to-market (GTM) strategy development.

CERTIFICATION DETAIL

- REVIT

ACHIEVEMENT DETAIL

1. RECIEVED STUDENT OF THE YEAR AWARD
2. APPOINTED AS A PLACEMENT COORDINATOR
3. ELECTED AS A HEAD OF GRAPHIC DESIGNER CIVIL ENGINEER DEPARTMENT
