SUMMARY OF QUALIFICATION

Course / Programme	Board / University Name	CGPA/ (%)	Passing Year
MBA-APM	NICMAR University, Pune	7.81	2027
B.Tech <i>Information Technology</i>	MGM UNIVERSITY	71.7	2024-Jul
Intermediate <i>Science (PCM)</i>	STATE BOARD- AURANGABAD,MAHARASHTRA	74.92	2020-Jul
High School	STATE BOARD- AURANGABAD,MAHARASHTRA	86	2018-Mar

TOTAL WORK EXPERIENCE: 12 month(s)**Manik Infra Projects**

01-Jul-2024 - 30-Jun-2025

0 Years, 11 Months, 29 Days**PROFILE:** Site Engineer

As a Site Engineer at Manik Infra Projects, I was responsible for overseeing on-site operations and ensuring smooth execution of construction activities. My role involved direct coordination with the labor workforce and acted as a key communication link between the project owner/client and the site teams.

Key Responsibilities:

- Supervised and managed daily construction site activities ensuring adherence to quality and safety standards.
- Coordinated with labourer's, subcontractors, and vendors to maintain workflow and timely project progress.
- Acted as the main communication channel between the client/owner and on-site workforce to ensure clarity of instructions and project requirements.
- Maintained proper documentation related to site work, attendance, and progress reports.
- Monitored resource allocation and resolved day-to-day site issues promptly.
- Assisted in planning and scheduling tasks in alignment with project timelines and milestones.
- Ensured compliance with construction drawings and technical specifications.

INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 29 Weeks)**Intellipaat Software Solutions Pvt.Ltd.**

12-Dec-2023 - 12-May-2024

21 Weeks**PROFILE:** Data Scientist - Intern

- ??Worked on real-time data-driven projects, involving data cleaning, preprocessing, visualisation, and predictive modelling.
- Utilised tools and technologies such as Python, Pandas, NumPy, Matplotlib, and scikit-learn for data analysis and machine learning tasks.
- Assisted in developing and evaluating machine learning models to solve classification and regression problems.
- Performed exploratory data analysis to identify trends, patterns, and insights using large datasets.
- Collaborated with the data science team to build and deploy end-to-end data science solutions.
- Presented project outcomes and insights through interactive dashboards and visual reports using Power BI.
- Applied statistical techniques and algorithms to support decision-making and business problem-solving.

M/S.Godavari Construction

04-May-2026 - 04-Jul-2026

8 Weeks**PROFILE:** Site Administration and Control - Intern

As a Site Administration and Control-Intern at Godavari Construction, I assisted in coordinating day-to-day site operations by maintaining project documentation, preparing daily

progress reports, and ensuring accurate record-keeping. I supported the site team in monitoring work progress, coordinating with contractors and vendors, tracking material and manpower requirements, and ensuring compliance with project schedules and company procedures. I also helped with administrative tasks, document control, report preparation, and communication between the site and office, contributing to the smooth execution and efficient management of construction activities.

CERTIFICATION DETAIL

- Power BI Course
- PGP in Data Science And Machine Learning
- SQL Course

ACHIEVEMENT DETAIL

- Led and organized a university-level Hackathon my ungrad program, successfully managing a team of volunteers, logistics, and student engagement - appreciated by university faculty for initiative and leadership.
- Contributed actively to the Training & Placement Committee during my ungrad program, coordinating student-industry interactions, mock interviews, and campus placement processes.
- Served as an IEEE Student Council Member, promoting innovation, professional growth, and technical events within the student community.
