INTERESTS

- playing badminton
- writing small stories
- drawing
- cooking

SUMMARY OF QUALIFICATION

Course / Programme	Board / University Name	CGPA/ (%)	Passing Year
MBA-ACM	NICMAR University of Construction Studies, Hyderabad,Telangana	8.97	2027
B.E. <i>Civil Engineering</i>	SATHYABAMA INSTITUTE OF SCIENCE AND TECHNOLOGY	94.4	2023-May
Intermediate <i>Science (PCM)</i>	BOARD OF INTERMEDIATE EDUCATION/ANDHRA PRADESH	91.9	2019-Apr
High School	BOARD OF SECONDARY EDUCATION/ANDHRA PRADESH	92	2017-May

INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 14 Weeks)

skill vertex

07-Jul-2021 - 07-Aug-2021

4 Weeks

PROFILE: construction planning program

Joined as a trainee student in the internship program under senior professionals. Learned to work with advanced construction planning software and tools. Assisted in preparing schedules, monitoring progress, and coordinating project activities. Observed and understood industry standards, quality practices, and safety measures. Enhanced technical knowledge and teamwork skills by working with experienced professionals.

Successfully completed assigned tasks and project responsibilities during the internship. Met all requirements set by the organization to qualify for certification. Gained certification as recognition of completing the training and internship program.

APCRDA

18-May-2026 - 31-Jul-2026

10 Weeks

PROFILE: project management planning and execution trainee

Monitored and supported construction activities for a major infrastructure project, with primary exposure to *piling, foundation, pile cap, shear wall, reinforcement, formwork, and concreting works*. Assisted in inspecting pile boring, casing installation, reinforcement cage placement, and concreting operations while ensuring adherence to approved construction procedures and quality requirements. Verified pile and pile-cap reinforcement arrangements, identified site-level discrepancies, and coordinated with site engineers and contractors for necessary corrective actions. Participated in pile integrity and dynamic load testing activities, gaining practical exposure to foundation quality assessment. Cross-checked theoretical and actual concrete quantities using bore-log and site records to support quantity control. Maintained construction observations and progress records, developing practical skills in site coordination, quality control, quantity verification, technical documentation, and construction progress monitoring.

CERTIFICATION DETAIL

- CADD course
- international conference
- project completion certificate
- UG rank certificate

ACHIEVEMENT DETAIL

I was a member in mathematics club and organized many mathematical olympiads in my under graduation I am the group leader for all my three projects in my under graduation like mini project, interdisciplinary project and major project.I secured the second rank in my university in civil engineering with the highest CGPA of 9.44A good badminton player and got recognized as 4th place out of 160 teams in UG college.Donated blood and motivated my friends to join in the noble

cause of blood donation.created and managed a social media account campaigning against smoking and drinking, successfully operated it for 2 years.
