INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 93 Weeks)

Progenius Pavements

16-Jan-2023 - 15-Apr-2024

65 Weeks

PROFILE: research intern

- Conducted **data collection, compilation, and analysis** to evaluate bituminous mix design alternatives and assess performance outcomes.
- Maintained **structured testing records, project documentation, and technical data** to support analysis, quality assurance, and evidence-based decision-making.
- Prepared **technical summaries and reports**, presenting research findings and comparative observations in a clear and structured manner.
- Coordinated testing activities and monitored **project milestones** to support timely completion and accurate reporting of research outcomes.
- Researched **advanced construction technologies and sustainable pavement materials**, strengthening analytical problem-solving and technical research capabilities.

ZENITH CONSULTANT

07-Aug-2024 - 29-Dec-2024

20 Weeks

PROFILE: SITE INTERN

- Assisted in **site assessment and project monitoring**, ensuring alignment with drawings, specifications, and approved plans.
- Conducted **site measurements and coordinate plotting using Total Station**, supporting accurate project documentation and progress tracking.
- Monitored construction activities and identified **schedule deviations and execution gaps**, reporting observations to senior engineers.
- Coordinated design information with **actual site conditions**, developing practical understanding of built assets and construction processes.
- Maintained **measurement, progress, and compliance records** for project tracking and reporting.

New Consolidated Construction Co. Ltd

05-May-2026 - 05-Jul-2026

8 Weeks

PROFILE: Project planning

- Supported **project planning and scheduling** activities for construction works.
- Assisted in **site execution monitoring** and tracking of planned versus actual progress.
- Supported **billing and measurement-related activities**, gaining exposure to project cost and quantity assessment.
- Coordinated planning, execution, and documentation to support **project progress and reporting**.

ACHIEVEMENT DETAIL

- Secured **First Prize in Green Concrete Competition** for an innovative sustainable mix design.
- Presented project report on **Development of Graphene-Bituminous Mix**, focusing on advanced pavement materials.
- Led **editorial team for departmental magazine**; published multiple technical articles and student features.
- Black Belt in **Taekwondo**; represented at the district level.
- Cleared **10 levels of Abacus**; participated in multiple national-level competitions.
