VAISAKHI DEVELOPERS

04-May-2026 - 06-Jul-2026

9 Weeks
PROFILE: Project Management Intern

- Monitored day-to-day concreting operations using **Mivan (aluminum formwork) technology**, performing pre-pour inspections (panel alignment, reinforcement, cover blocks, MEP sleeves/inserts) and post-pour quality checks (surface finish, de-shuttering, and curing) to ensure compliance with structural drawings and quality standards.
- Verified reinforcement works by inspecting bar diameter, spacing, lap lengths, anchorage, and concrete cover, coordinating with site teams to resolve discrepancies before concrete pour approvals.
- Inspected shuttering alignment, levels, and verticality using surveying instruments, ensuring dimensional accuracy and supporting Mivan's fast-track construction methodology.
- Participated in **Health, Safety & Environment (HSE)** meetings and site inspections, promoting compliance with safety regulations among contractors and labor teams.
- Performed **Quality Assurance (QA)** and **Quality Control (QC)** inspections throughout construction stages, documenting non-conformities and coordinating corrective and preventive actions.
- Conducted material inventory inspections and monitored stock levels of cement, reinforcement steel, and formwork accessories, supporting procurement planning and minimizing construction delays.
- Assisted in project planning and progress monitoring using **Microsoft Project (MS Project)**, while preparing Daily Progress Reports (DPRs), project documentation **Microsoft Excel** and **Word**.
