ACHIEVEMENT DETAIL

Participating in the National Service Scheme (NSS) has been a rewarding experience that allowed me to contribute meaningfully to community development and social welfare.As an active participant in the National Service Scheme (NSS), I had the opportunity to engage in awareness programs focused on human rights, the Indian judiciary system, and the Constitution of India. Through various outreach activities and legal literacy campaigns, I helped promote understanding of fundamental rights and duties among local communities. This experience deepened my respect for the democratic values enshrined in the Constitution and strengthened my belief in justice, equality, and the rule of law. It was a meaningful contribution toward building an informed and responsible society.
