INTERESTS

- Reading Newspapers
- Watching Sports

SUMMARY OF QUALIFICATION

Course / Programme	Board / University Name	CGPA/ (%)	Passing Year
MBA-ACM	NICMAR University, Pune	8.23	2027
B.Tech <i>Civil Engineering</i>	MANIPAL UNIVERSITY JAIPUR	84.6	2022-Jul
Intermediate <i>Science (PCM)</i>	CBSE JAIPUR / RAJASTHAN	68.8	2018-May
High School	CBSE JAIPUR/RAJASTHAN	89.3	2016-May

TOTAL WORK EXPERIENCE: 12 month(s)
Adani Green energy limited

25-Jul-2022 - 17-Aug-2023

1 Years, 0 Months, 23 Days
PROFILE: Assitant Manager in project management and assurance group (PMAG)

- Specialize in project management and controlling large-scale solar and wind power projects, including the Khavda 30 GW solar power plant.
- Proficient in preparing project schedules and facilitating reports for stakeholders.
- Support site teams with documentation and presentations.
- Coordinate with vendors for project execution and delivery.
- Demonstrate expertise in renewable energy projects, leveraging skills in Microsoft Office, Oracle Primavera, and project planning to manage critical aspects of solar and power substation systems.
- Committed to delivering impactful solutions in collaboration with internal and external stakeholders, including SECI and Total Energies, while aligning with sustainable energy goals.

INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 24 Weeks)
JAIPUR INTERNATIONAL AIRPORT LIMITED

01-Feb-2022 - 30-May-2022

16 Weeks
PROFILE: INTERN AT PROJECTS DEPARTMENT

- Prepared BOQ (Bill of Quantities) for the proposed State Cargo Building, gaining practical exposure to quantity estimation and cost documentation.
- Monitored the progress of demolition works at the AAI Colony, tracking execution timelines and reporting site status.
- Gained exposure to NOTAM (Notice to Airmen) procedures, including runway checking within designated NOTAM timings for safe operational compliance.
- Prepared BOQ for the proposed new parking area, supporting planning and cost estimation for airport infrastructure expansion.
- Learned about aerodrome activities and operations, gaining foundational understanding of airside infrastructure and airport functioning.

Goa State Infrastrutture Development Corporation Limited (GSIDC)

04-May-2026 - 04-Jul-2026

8 Weeks
PROFILE: Site Execution Intern

- Completed a site execution internship at the Goa Medical College Lecture Building 1 & 2 project, a government infrastructure project under GSIDC, gaining hands-on exposure to civil construction and execution processes.
- Observed and assisted in slab and beam casting operations, including reinforcement checks, concrete pouring, and curing practices.

- Gained practical understanding of column casting, including formwork alignment, reinforcement placement, and quality checks before pouring.
- Studied foundation casting procedures, including excavation, PCC laying, reinforcement, and shuttering for footings.
- Observed tower crane erection and understood its role in material handling and vertical transportation on high-rise construction sites.
- Learned about the functioning of the RMC (Ready Mix Concrete) plant, including batching, mixing, and quality control of concrete supplied to site.
- Gained knowledge of BBS (Bar Bending Schedule) preparation and its role in reinforcement estimation and cutting/bending of steel bars.
- Participated in slab and beam checking activities, verifying levels, reinforcement spacing, and cover blocks before casting.
