

ROLL NUMBER: P25700034

Mr. Bharath Koyya  
Male

DOB

09-May-2004

TECHNICAL SKILLS

- AutoCAD
- MS Office
- MS Project
- Primavera
- CostX
- Revit
- Naviswork

PERMANENT ADDRESS

14-35/2, G. Thimmapuram, Near  
Vignan World One School,  
Visakhapatnam, Andhra Pradesh.  
City: Visakhapatnam  
State: Andhra Pradesh  
Pincode: 531163

LANGUAGE

- English
- Hindi
- Telugu

SUMMARY OF QUALIFICATION

| Course / Programme                   | Board / University Name                       | CGPA/ (%) | Passing Year |
|--------------------------------------|-----------------------------------------------|-----------|--------------|
| MBA-ACM                              | NICMAR University, Pune                       | 7.95      | 2027         |
| B.Tech<br><i>Civil Engineering</i>   | GANDHI INSTITUTE OF TECHNOLOGY AND MANAGEMENT | 68.78     | 2025-May     |
| Intermediate<br><i>Science (PCM)</i> |                                               | 81.9      | 2021-Jul     |
| High School                          | CBSE, VISAKHAPATNAM                           | 81.8      | 2019-May     |

INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 12 Weeks)

SVS MOOKAMBIKA

15-May-2024 - 16-Jun-2024

4 Weeks

PROFILE: INTERN

**Hands-on Site Supervision:** I spent my time on the ground for that 1.93km stretch, making sure the daily work on Piles and Pier Caps actually matched what was on the structural drawings.

**Quality & Precision:** I didn't just watch; I was involved in checking the reinforcement and concrete quality. I made sure the Bar Bending Schedules (BBS) were followed strictly to avoid wasting steel and to keep the structure's integrity.

**Managing the Complexity:** Working on a Viaduct in a busy area taught me how to handle site logistics. I saw how crucial it is to coordinate heavy machinery and materials without disrupting the city's flow.

**Tracking Progress:** I was responsible for keeping track of what got done every day. I learned how to bridge the gap between what the engineers planned and what actually happened on-site by maintaining Daily Progress Reports (DPRs).

**Safety First:** In a 1.9km urban project, safety is everything. I learned how to manage a safe workspace for the labor crew while ensuring the public wasn't at risk during the construction phases.

Sai Constructions & Electrical Works

09-May-2026 - 10-Jul-2026

8 Weeks

PROFILE: Intern

**Estimation:** I'd involved my self in the taking the estimates of the desired quantites of the material as per the drawings and assisted my superior with it.

**Planning & Quantity Surveying:** I'd involved in the QS takeoffs of the project, I assisted my project manager in the estimation of the quantites

**Design Coordination:** I'd reviewed structural and architectural drawings, coordinating with the head office engineering team to resolve minor site-level execution queries (RFIs).

ACHIEVEMENT DETAIL

President, Street Cause GITAM | 2023-2024 (1 Year)

Served as the **President of Street Cause GITAM**, directing the NGO's (STREET CAUSE)campus chapter and heading community development initiatives for a one-year term.

**Nirman Club (Civil Engineering Department), GITAM***Active Member & Leader | 2022 – 2025 (3 Years)***President (2024-2025)**

- Elected to head the departmental club, directing strategic planning, faculty coordination, and overall operations for all civil engineering student initiatives.
- Spearheaded the execution of diverse technical and non-technical events designed to bridge academic civil engineering concepts with practical application.

**Sponsorship & Operations Lead (2022-2024)**

- Managed corporate and college sponsorships for one year, successfully securing resources and funding to back club events.
- Directed the operations team for one year, managing event logistics, venue setups, and day-of-execution workflows.
