SUMMARY OF QUALIFICATION

Course / Programme	Board / University Name	CGPA/ (%)	Passing Year
MBA-ACM	NICMAR University, Pune	8.62	2027
B.Tech <i>Civil Engineering</i>	APJ ABDUL KALAM TECHNOLOGICAL UNIVERSITY	67.9	2023-Aug
Intermediate <i>Science (PCMB)</i>	CENTRAL BOARD OF SECONDARY EDUCATION-KERALA	64.6	2019-May
High School	CENTRAL BOARD OF SECONDARY EDUCATION-KERALA	91.2	2017-Jun

TOTAL WORK EXPERIENCE: 21 month(s)
Bond interiors International

12-Jul-2023 - 30-Apr-2025

1 Years, 9 Months, 18 Days
PROFILE: Quantity surveyor-Estimator

- Worked as a key member of the Quantity Surveying team, supporting 60+ commercial interior fit-out projects across multiple project stages.
- Performed quantity take-offs and BOQ preparation to support accurate cost estimation, project budgeting, and financial planning.
- Conducted cost estimation and rate analysis, supporting value engineering, cost optimization, and informed commercial decision-making.
- Supported tendering and procurement activities through cost comparisons, quotation analysis, and review of commercial documentation.
- Coordinated with senior estimators, engineers, MEP, technical, and procurement teams to ensure effective project execution and information flow.
- Assisted in document valuation, cost control, and budget monitoring, ensuring alignment with project scope, quantities, and approved budgets.
- Raised and tracked Requests for Information (RFIs) to resolve design, scope, quantity, and cost-related clarifications.
- Developed practical expertise in Quantity Surveying, BOQ Preparation, Cost Estimation, Rate Analysis, Tendering, Procurement, Cost Control, RFI Management, and Commercial Documentation.

Key Skills

- Quantity Take-Off
- BOQ Preparation
- Cost Estimation
- Rate Analysis
- Value Engineering
- Tendering & Procurement
- Cost Control
- RFI Management
- Commercial Documentation
- Cost & Financial Analysis
- Project Coordination
- Budgeting & Financial Planning

INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 8 Weeks)**Uralungal Labour Contract Co-operative Society (ULCCS)**

20-May-2026 - 15-Jul-2026

8 Weeks**PROFILE:** Intern

- Assisted in the site execution and construction management of a government hospital building project, working closely with the Project Manager and Site In-Charge on daily construction activities and coordination.
- Gained practical exposure to RCC, reinforcement, shuttering, excavation, concrete, and masonry works, including monitoring of ongoing site activities.
- Prepared Bar Bending Schedules (BBS) by interpreting structural drawings and reinforcement details, including bar diameter, shape, cutting length, bends, and quantities.
- Performed quantity take-offs for concrete, reinforcement steel, shuttering, excavation, and masonry to support material planning, estimation, and procurement activities.
- Performed reinforcement quantity calculations and verification of reinforcement placement against approved structural drawings and project specifications.
- Participated in QA/QC activities, including concrete slump tests, cube casting, sample identification, curing verification, and maintenance of quality records.
- Assisted in verifying construction activities for compliance with approved drawings, technical specifications, quality standards, and project requirements.
- Attended construction safety inductions and training, gaining practical knowledge of PPE, hazard identification, safe work practices, and HSE procedures.
- Supported coordination between Engineering, QA/QC, Quantity Surveying, and Billing teams, contributing to smooth execution and documentation of site activities.
- Developed practical knowledge of construction project management, quantity surveying, quality control, site coordination, material planning, safety management, and construction documentation.

ACHIEVEMENT DETAIL

Media Head – Tejasvi, College Tech Fest

Led the media team, overseeing photography, videography, editing, and social media coverage for the college tech fest.
