MBA-ACM	NICMAR University, Pune	8.85	2027
B.Tech <i>Civil Engineering</i>	JAWAHARLAL NEHRU TECHNOLOGICAL UNIVERSITY HYDERABAD	81.2	2024-Aug
Diploma	JN GOVERNMENT POLYTECHNIC, RAMANTHAPUR, HYDERABAD	90.2	2021-Mar
High School	BOARD OF SECONDARY EDUCATION, TELANGANA	92.15	2018-Mar

INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 40 Weeks)

Pramukh Omkar Group

04-May-2026 - 04-Jul-2026

8 Weeks

PROFILE: Construction Management Intern

- **Supervised and inspected structural, finishing, and MEP activities** including reinforcement, shuttering, concreting, masonry, plastering, plumbing, and electrical works, ensuring compliance with project specifications and quality requirements.
- **Conducted QA/QC inspections and construction documentation reviews** covering reinforcement detailing, beam/slab levels, plaster thickness, mortar mix proportions, verticality, and pre-concreting checklists, supporting **quality assurance and reduction of rework risk**.
- **Reviewed and interpreted structural, architectural, plumbing, and electrical drawings** and supported **BBS preparation, quantity verification, and execution planning** using Microsoft Excel.
- **Analyzed construction quantities and execution data in Excel** to support quantity verification and site-level planning and monitoring.
- **Coordinated with project engineers, QA/QC teams, contractors, and subcontractors** to address execution issues and maintain alignment with project requirements, quality standards, and planned activities.

Greater Hyderabad Municipal Corporation

16-Jun-2020 - 15-Dec-2020

26 Weeks

PROFILE: Summer Intern Trainee

- **Tracked quantity measurements, material consumption, and project progress** across municipal infrastructure works, supporting monitoring against defined plans and timelines.
- **Validated construction data and project documentation** including material consumption, completion status, and daily progress records, improving the accuracy and consistency of project reporting.
- Supported **schedule and resource-utilization monitoring** on active infrastructure projects, gaining practical exposure to project controls across the project lifecycle.
- **Maintained DPRs, site records, and documentation logs**, enabling structured and audit-ready tracking of project activities and progress.
- **Reviewed construction documentation and technical records** and co-authored technical reports with engineers to support compliance with approved specifications and municipal standards.
- Coordinated with **site supervisors, contractors, and engineering teams** to resolve information gaps and maintain alignment among project stakeholders.

Internshala Trainings

17-Apr-2023 - 31-May-2023

6 Weeks**PROFILE:** Technical Trainee

- Strengthened **structural analysis** skills by interpreting engineering data across multiple modules, building a foundation directly applicable to infrastructure advisory engagements.
- Built working proficiency in **2D/3D modeling and technical documentation**, enabling faster translation of engineering inputs into planning- and execution-ready formats.
- Delivered **structured technical reports and analysis summaries** that met client-ready documentation standards, improving clarity and turnaround time.
- Applied **analytical and problem-solving methods** to building analysis modules, reinforcing a systematic approach to construction methodology and lifecycle planning.

CERTIFICATION DETAIL

- Certificate program in Contract Management
- KPMG Lean Six Sigma Green Belt certification

ACHIEVEMENT DETAIL

- **First Class with Distinction** in both Diploma and B.Tech.
- **Pratibha Award** (2018) by **CSIR IICT**, Hyderabad.
- **CSIR Pensioners Welfare Association** (2018), Hyderabad.
- Spot Modelling Competition, ACE Engineering College, reflecting innovative design and technical skill.
- Synthwave (Dance Competition) during **UDBHAV 2025** at NICMAR University, Pune, reflecting creativity and teamwork.
- Awarded the **Commendable assistance Grant Scholarship** by NICMAR University

PROJECTS

- Executed my final-year B.Tech project on **Soil stabilization** using **Nanomaterials** to enhance the engineering properties of weak soils.
