TOTAL WORK EXPERIENCE: 17 month(s)

Deshpande landmark private limited  
25-May-2023 - 31-Oct-2024

1 Years, 5 Months, 6 Days

PROFILE: Project Engineer

Deshpande Landmarks, Pune (Residential Redevelopment Projects, Kothrud)

Supported **site execution, construction supervision, and project control** activities for mid-rise residential redevelopment projects, ensuring adherence to quality standards, project schedules, and technical specifications.

Project: Hariprasad - G+5 Residential Redevelopment

- Supervised **RCC, masonry, plastering, flooring, and finishing works** in accordance with approved IFC/GFC drawings and technical specifications.
- Performed **quantity take-offs and BOQ verification** to ensure accurate quantity control and alignment with design requirements.
- Monitored daily construction progress against **baseline schedules and project milestones** to support timely execution.
- Conducted **pre-pour inspections, QA/QC checks, and site quality audits** to ensure compliance with construction standards.

Project: Raghuvansh - G+6 Residential Redevelopment

- Supervised **civil and finishing works** as per approved drawings, technical specifications, and project quality requirements.
- Monitored project progress against **baseline schedules**, identifying delays, project risks, and required corrective actions.
- Performed **variation analysis and change order documentation** to support project cost and schedule control.
- Verified executed work quantities against **BOQ and contract requirements**, and coordinated with contractors to resolve billing and execution issues.

INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 8 Weeks)

SR VASTU

14-May-2026 - 14-Jul-2026

8 Weeks

PROFILE: Management Intern

- Assisted in **construction planning, project scheduling, and progress monitoring** to track residential project activities and ensure adherence to planned timelines.
- Performed **Quantity Take-Off (QTO) and reinforcement quantity estimation** using structural drawings to support material planning and quantity control.
- Monitored **formwork, reinforcement, concreting, and curing activities** to ensure compliance with approved drawings, technical specifications, and quality standards.

- Supported **QA/QC inspections, subcontractor coordination, work measurement, and daily progress reporting** to facilitate effective site execution and project control.

#### ACHIEVEMENT DETAIL

---

- Led a 7-day residential NSS Camp, demonstrating leadership and team coordination.
- Coordinated events for an ISTE State-Level Technical Convention.
- Secured 1st Prize in a University-Level Music Competition.
