INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 12 Weeks)
JAIN HOUSING & CONSTRUCTION LTD.

17-Jun-2024 - 17-Jul-2024

4 Weeks
PROFILE: SITE ENGINEER

- Monitored construction activities from structural stages through finishing stages, gaining exposure to end-to-end residential project execution.
- Assisted in tracking site progress, preparing Daily Progress Reports , reporting construction activities to the site engineering team and ensuring execution as per drawings and required quality standards.
- Gained exposure to client interactions by observing senior engineers communicate project requirements, progress updates, and site-related issues, while understanding client requirements and the importance of customer satisfaction.
- Observed the use of RMC, AAC blocks, and gypsum plastering as faster construction alternatives, gaining practical understanding of how these materials helped reduce on-site work, improve productivity
- Participated in project kick-off meetings, gaining exposure to project objectives, scope.

Goa State Infrastructure Development Corporation Limited

04-May-2026 - 04-Jul-2026

8 Weeks
PROFILE: Site execution Engineer

- Observed substructure works including piling, pile caps, and pile foundation activities at the site.
- Interpreted technical drawings and plans; resolved technical issues by coordinating with design teams and project managers.
- Supervised day-to-day site execution activities to ensure work progressed according to the approved construction schedule.
- Conducted quality checks for concrete and steel works, ensuring compliance with approved drawings and specifications.
- Gained practical insights from the Project Manager on various causes of delays in a project and developing mitigation strategies.
