SUMMARY OF QUALIFICATION

Course / Programme	Board / University Name	CGPA/ (%)	Passing Year
MBA-SEM	NICMAR University, Pune	9.38	2027
B.E. <i>Civil Engineering</i>	VISVESWARAYA TECHNOLOGICAL UNIVERSITY	58.3	2025-Jul
Intermediate <i>Science (PCM)</i>	CBSE, NEW DELHI	84.8	2021-Jun
High School	CBSE, NEW DELHI	83.8	2019-May

INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 13 Weeks)

South Western Railway,Office of the Deputy Chief Engineer(Station Development,Construction Organisation), Bengaluru Cantonment

29-Jul-2024 - 28-Aug-2024

4 Weeks

PROFILE: Student Trainee- Station Development and Construction

- Gained practical exposure to **railway station redevelopment** and **multi-level car parking (MLCP) projects** through site visits and interaction with site engineers.
- Studied **construction planning, activity sequencing and project execution processes** followed in large-scale infrastructure projects.
- Monitored site activities including **reinforcement fixing, concreting, plastering, tiling and finishing works**, gaining exposure to multiple construction trades.
- Reviewed **structural and architectural drawings** to understand construction layouts, reinforcement detailing and site implementation.
- Participated in **site inspections and engineering walkthroughs** to understand construction progress monitoring and execution practices.
- Gained hands-on exposure to **quality control and site safety**, including slump tests, cube casting, material inspections, laboratory testing and construction quality standards.

Key Exposure: Construction Planning | Site Execution | Drawings | Quality Control | Progress Monitoring | Safety

ClimatEnglithen LLP

04-May-2026 - 11-Jul-2026

9 Weeks

PROFILE: Research Intern

- Conducted research on **Environmental Impact Assessment (EIA), Circular Economy, Water Stewardship, Water Quality Management and Air Quality Assessment** for sustainability-focused initiatives.
- Analysed **environmental regulations, technical standards and policy frameworks** and prepared structured technical documentation and reports.
- Performed **data collection, validation and interpretation** using regulatory documents, technical standards and published literature.
- Developed an understanding of **environmental compliance, sustainability reporting** and **project-related regulatory frameworks** through technical and research.
- Collaborated with mentors during **technical review, content development and documentation improvement**

Key Exposure: Sustainability Research | Technical Documentation | Data Validation | Compliance | Reporting
