SUMMARY OF QUALIFICATION

Course / Programme	Board / University Name	CGPA/ (%)	Passing Year
MBA-ACM	NICMAR University, Pune	8.46	2027
B.E. <i>Civil Engineering</i>	GOA UNIVERSITY	79	2024-Sep
Intermediate	GOA BOARD OF SECONDARY AND HIGHER SECONDARY EDUCATION ,GOA	67.17	2020-Jun
High School	GOA BOARD OF SECONDARY AND HIGHER SECONDARY EDUCATION ,GOA	82.66	2018-Jun

INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 16 Weeks)**Raj Housing Development Private Limited**

31-Jul-2023 - 23-Sep-2023

7 Weeks**PROFILE:** Site Engineer

- **Site Execution:** Supported execution of RCC works including shuttering, reinforcement fixing, and concreting in accordance with approved drawings and project specifications.
- **Quality Control:** Conducted inspections of reinforcement, shuttering, and concrete works; checked dimensions, alignment, levels, and workmanship, and supported rectification of site deviations.
- **Quantity Measurement:** Assisted with site measurements, quantity take-offs, and preparation of abstract sheets for project billing and documentation.
- **Planning & Progress Monitoring:** Monitored daily construction progress against planned activities and prepared Daily Progress Reports (DPRs) and progress updates.
- **Site Coordination & Safety:** Coordinated with execution and quality teams to support smooth construction activities while ensuring compliance with site safety procedures and PPE requirements.

Sobha Limited

11-May-2026 - 13-Jul-2026

9 Weeks**PROFILE:** Site Execution

- **Project Scale & Construction Exposure:** Worked on a **26-acre high-rise residential development comprising 19 towers (G+2 Basements+18)**, gaining hands-on exposure to large-scale residential construction and multidisciplinary project coordination.
- **Planning & Progress Monitoring:** Maintained **planned-vs-actual trackers** for slab cycles, manpower and activity progress; monitored activity sequencing, work-front readiness, look-ahead requirements and schedule deviations to support timely execution.
- **Delay & Constraint Analysis:** Identified **schedule delays, progress variances and execution constraints** and supported follow-up on corrective actions and coordination requirements.
- **Stakeholder & Cross-Functional Coordination:** Coordinated with **Planning, Execution, QA/QC and Safety teams**; followed up on action items, site requirements, snags and handover readiness.
- **Quality Control & Construction Management:** Conducted **reinforcement, wall alignment and slab-level inspections** against approved drawings and specifications; gained exposure to foundations, aluminium formwork, reinforcement, concreting, waterproofing and finishing activities.
- **Material Quality & Testing:** Observed **concrete and construction-material testing** and supported compliance with project specifications and quality requirements.

CERTIFICATION DETAIL

- Autocad

ACHIEVEMENT DETAIL

B.E Executive Member, Association of Civil Engineering Students (ACES), Goa College of Engineering.
