TOTAL WORK EXPERIENCE: 11 month(s)

Silpi Global Pvt. Ltd.

08-Jul-2024 - 02-Jun-2025

0 Years, 10 Months, 25 Days

PROFILE: Site Engineer

Monitor and supervise daily site activities with approved drawings, specifications, and quality standards. Coordinate with contractors, sub-contractors, and vendors to ensure smooth execution of work. Assist the Project Manager in planning, scheduling, and tracking of project milestones. Conduct site inspections, quality checks, and ensure adherence to safety protocols. Maintain daily progress reports, material reconciliation, and documentation. Attend coordination meetings with clients, consultants, and stakeholders. Resolve technical issues on-site in collaboration with design and execution teams. Support in quantity take-offs and verification of contractor bills. Ensure project activities are completed within budget and timeline constraints.

INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 8 Weeks)

Rodic Consultants Pvt. Ltd.

11-May-2026 - 10-Jul-2026

8 Weeks

PROFILE: Operations Intern

- Supported the preparation and review of **Project Completion Reports (PCRs)** by consolidating project information, verifying technical documentation, and ensuring compliance with organizational reporting standards.
- Reviewed **Monthly Progress Reports (MPRs)** to monitor physical and financial progress, milestone achievement, project status, and key project risks across multiple railway infrastructure projects.
- Cross verified project milestones, contractor progress, and schedule updates using multiple project records to improve reporting accuracy and document consistency.
- Assisted in compiling project data including stakeholder details, resource deployment, construction equipment, contractual information, and project deliverables for management reporting.
- Analyzed railway infrastructure project documentation covering **ROBs, RUBs, LHSs, station modernization, signalling systems, and PM Gati Shakti** projects to understand project execution and monitoring processes.
- Reviewed consultancy tender documents (RFPs) and analyzed **QCBS** methodology, eligibility criteria, technical requirements, resource deployment, and commercial evaluation procedures.
- Supported documentation review by incorporating management comments, validating technical information, maintaining document numbering consistency, and updating project records through multiple revision cycles.

- Participated in project progress review activities by analyzing schedule status, project risks, **Extension of Time (EOT)** records, and project performance documentation.
- Reviewed consultancy billing records, **Running Account (RA) Bills**, project financial documentation, GST variations, and project closure records to understand commercial and contract administration processes.
- Prepared project presentations by consolidating technical, financial, and execution data for management reviews and stakeholder communication.
