

ROLL NUMBER: P25700420

Ms. Mythili R
Female

DOB

17-Sep-1998

TECHNICAL SKILLS

- AutoCAD
- Sketchup
- Revit
- Lumion
- Rhino
- MS Project
- Primavera
- Bixel Manager

PERMANENT ADDRESS

34,6th Cross Balaji Layout
Kodigehalli Bangalore 560094
City: Bangalore Urban
State: Karnataka
Pincode: 560094

LANGUAGE

- English
- Tamil
- Kannada and Telugu

SUMMARY OF QUALIFICATION

Course / Programme	Board / University Name	CGPA/ (%)	Passing Year
MBA-ACM	NICMAR University, Pune	8.85	2027
B.Arch. <i>Architecture</i>	VISVESVARAYA TECHNOLOGICAL UNIVERSITY	71.7	2024-Jan
Intermediate <i>Science (PCMB)</i>	GOVERNMENT OF KARNATAKA DEPARTMENT OF PRE UNIVERSITY EDUCATION, BANGALORE/KARNATAKA	69.83	2018-May
High School	INDIAN CERTIFICATE OF SECONDARY EDUCATION EXAMINATION, BANGALORE/KARNATAKA	84.5	2016-May

TOTAL WORK EXPERIENCE: 12 month(s)

Earthricks Architecture,Planning and Sustainability

01-Jul-2024 - 14-Jul-2025

1 Years, 0 Months, 13 Days

PROFILE: Junior Architect

- **Design-to-Delivery Lifecycle Management:** Owned architectural and interior design project packages end-to-end, steering projects from initial schematic design and spatial planning through site execution and handover.
- **GFC Drawings & Technical Documentation:** Drafted, reviewed, and compiled comprehensive **Good-for-Construction (GFC) drawings**, architectural blueprints, material specifications, and construction reports in strict adherence to local municipal regulations and building codes.
- **Site Execution & Quality Control:** Conducted routine site inspections and collaborated directly with construction managers, structural engineers, and trade workers to ensure work was completed on schedule, according to design specifications, and met site quality standards.
- **Feasibility Studies & Risk Mitigation:** Prepared structured site feasibility reports and analyzed environmental impacts across construction phases.
- **Client Pitches & Stakeholder Approvals:** Developed and presented technical design proposals, layouts, and visual presentations to clients and project stakeholders to secure formal project approvals.

INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 22 Weeks)

Co-Ordinates Architecture + Interior Design

01-Sep-2022 - 20-Dec-2022

15 Weeks

PROFILE: Intern

- **Commercial Interiors & Spatial Layouts:** Co-created spatial layouts, schematic floor plans, and interior design concepts tailored for commercial and built-environment client briefs.
- **3D Modeling & Visualization:** Developed high-definition 3D models, photorealistic renderings, and interactive digital walkthroughs using AutoCAD, Revit, SketchUp, Lumion, and Rhino for client approval pitches.
- **Working Drawings & Material Specifications:** Produced detailed interior working drawings, good for construction drawings, joinery schematics, and material schedules.
- **Client Pitches & Visual Presentation Boards:** Designed client-facing presentation decks, mood boards, and material sample boards, participating in feedback sessions to align design solutions with client requirements.
- **Vendor & Material Selection:** Coordinated with trade suppliers and material vendors to verify finish options, availability, unit costs, and fabrication timelines for interior fit-out projects.
- **Design Optimization:** Refined architectural drawings and interior layouts based on client feedback and site constraints.

Pidilite Industries Ltd.

04-May-2026 - 26-Jun-2026

7 Weeks

PROFILE: Intern

- **Commercial & Specification Mapping:** Led a research initiative profiling principal architects, interior designers and structural consultants across the commercial projects domain.
- **Specification Potential & Market Intelligence:** Evaluated product specification practices across high-value commercial built-environment projects, uncovering strategic opportunities for product specification integration and revenue expansion.
- **Data Analytics & Executive Reporting:** Executed primary data collection and quantitative market evaluation, synthesizing complex field research into executive diagnostic reports and strategic pitch decks presented to senior leadership.
- **Client & Consultant Relationship Building:** Initiated outreach and relationship-building efforts with prominent architects, consultants, and enterprise decision-makers to map commercial procurement workflows.
- **Pre-Sales Development:** Identified untapped commercial and residential projects, supporting pre-sales strategy and commercial positioning for the regional corporate business team.
- **Cross-Functional Collaboration:** Coordinated across internal sales leaders, technical support teams, and external design consultants to streamline specification positioning for commercial project approvals.
