SUMMARY OF QUALIFICATION

Course / Programme	Board / University Name	CGPA/ (%)	Passing Year
MBA-ACM	NICMAR University, Pune	9.21	2027
B.Tech <i>Civil Engineering</i>	A P J ABDUL KALAM TECHNOLOGICAL UNIVERSITY	80.55	2021-Sep
Intermediate <i>Science (PCMB)</i>	CENTRAL BOARD OF SECONDRY EDUCATION, DELHI	86.4	2017-May
High School	CENTRAL BOARD OF SECONDRY EDUCATION, DELHI	95	2015-May

TOTAL WORK EXPERIENCE: 24 month(s)
Uralungal Labour Contractive co-operative Society

10-Dec-2022 - 31-Dec-2024

2 Years, 0 Months, 21 Days
PROFILE: Site Engineer

Executed and supervised on-site construction activities for mainly two projects:-

- **Rs.100 Cr Residential rehabilitation** (400 resettlement flats, G+1 structure) across 8 acres, having built up area of 250,000sqft at Trivandrum, Kerala.
- **Rs.5.22 Cr NABARD/RIDF-funded social infrastructure (healthcare) project** — construction of a Community Health Centre (CHC) building, Calicut, Kerala.
- Performed **quantity takeoff and measurement book (MB) recording** for completed work items, ensuring accurate documentation for billing and progress verification.
- Reviewed subcontract scope and independently verified sub-contracted work measurements for billing and payment certification, strengthening **project controls and financial governance**.
- Conducted **QA/QC inspections** during execution and maintained quality assurance checklists, ensuring compliance with project quality standards.
- Tracked daily cost data for each work item against budgeted/actual rates, supporting **cost control, schedule adherence and data-driven progress reporting**.
- Collaborated with Head Engineers on work programme planning and schedule coordination, executing work against project planning schedules to meet daily, weekly, and monthly targets.
- Prepared progress reports and presentations for weekly review meetings; maintained site photographic documentation and records for project tracking.
- Coordinated with multidisciplinary teams and contractors on-site to resolve execution challenges while maintaining safety and quality standards.

INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 10 Weeks)
E-Construct Design & Build Pvt Ltd

04-May-2026 - 30-Jun-2026

8 Weeks
PROFILE: Management Intern

- Built a comprehensive **financial and technical feasibility model** for a 26-acre, **Rs.4,120 Cr slum rehabilitation redevelopment project** (7,000 tenements, 4,000+ families) under Mumbai's DCPR 2034 SRA scheme, covering area statements, FSI optimization, cost/revenue projections, and cash flow, to demonstrate a 19.4% project IRR and Rs.700 Cr surplus.
- Designed an **AI-assisted Site Progress Dashboard** embedding **EVM metrics (SPI, CPI, SV)** across 11 construction-management functions, replacing manual spreadsheet tracking.

- Authored a **5-document, 10-phase project governance framework** (Planning, Tracking, Reporting, QA Checklists, Standards) — 50 reusable templates for site documentation.
- Conducted **cost, schedule, and risk analysis** to support data-driven project decisions and corrective actions.
- Applied **QA/QC and contract administration practices** — ITP, NCR, RFI tracking, variation orders, milestone billing — across live project scenarios.

P.W.D Special Buildings Section Thiruvananthapuram

22-Jul-2019 - 26-Jul-2019

0 Weeks**PROFILE:** Site Intern

Observed and learned about building construction techniques, site management and quality control measures. Worked out the bar bending schedule for column work and estimated the quantity of materials required. Gained awareness about office procedures, file management & documentation practices under Public works Department.

P.W.D Bridges section Thiruvananthapuram

20-Jun-2018 - 05-Jul-2018

2 Weeks**PROFILE:** Site intern

Observed and learned about bridge construction techniques and methodologies. Monitored construction activities and reported observations to site Engineers. Assisted Site Engineers in quality control checks of the construction activities and Maintaining records and documentation of site activities. Learned about and adhered to site safety protocols and regulations.

CERTIFICATION DETAIL

- Microsoft Project for Project Manager & Civil Engineers
- Professional Certificate in Project Management

ACHIEVEMENT DETAIL

Member of the organizing team for the UL International conclave on sustainable construction: Innovative Technologies and Practices.
