SUMMARY OF QUALIFICATION

Course / Programme	Board / University Name	CGPA/ (%)	Passing Year
MBA-ACM	NICMAR University, Pune	8.62	2027
B.Tech <i>Civil Engineering</i>	APJ ABDUL KALAM TECHNOLOGICAL UNIVERSITY	67.9	2023-Aug
Intermediate <i>Science (PCMB)</i>	CENTRAL BOARD OF SECONDARY EDUCATION-KERALA	64.6	2019-May
High School	CENTRAL BOARD OF SECONDARY EDUCATION-KERALA	91.2	2017-Jun

TOTAL WORK EXPERIENCE: 21 month(s)
Bond interiors International

12-Jul-2023 - 30-Apr-2025

1 Years, 9 Months, 18 Days
PROFILE: Quantity surveyor-Estimator

- Worked as part of the Quantity Surveying team, handling commercial activities for 60+ commercial interior fit-out projects at different stages.
- Worked as a Team Leader for the Quantity Surveying team, assigning tasks, coordinating with team members, and ensuring work was completed within timelines.
- Prepared quantity take-offs and BOQs for cost estimation, budgeting, and project planning.
- Carried out cost estimation and rate analysis and contributed to value engineering and cost optimization.
- Coordinated with estimators, engineers, MEP, technical, and procurement teams to ensure proper communication and smooth flow of project information.
- Handled tendering and procurement-related activities, including cost comparisons, quotation analysis, and review of commercial documents.
- Worked on document valuation, cost control, and budget monitoring based on project scope, quantities, and approved budgets.
- Raised and tracked RFIs and coordinated with the concerned teams to clarify design, scope, quantity, and cost-related issues.
- Managed multiple project requirements and prioritized tasks to meet deadlines and maintain work progress.
- Gained practical experience in team leadership, coordination, planning, communication, decision-making, cost management, tendering, procurement, and commercial documentation.

Key Skills

- Quantity Take-Off
- BOQ Preparation
- Cost Estimation
- Rate Analysis
- Value Engineering
- Tendering & Procurement
- Cost Control
- RFI Management
- Commercial Documentation
- Cost & Financial Analysis
- Project Coordination
- Budgeting & Financial Planning

INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 8 Weeks)**Uralungal Labour Contract Co-operative Society (ULCCS)**

20-May-2026 - 15-Jul-2026

8 Weeks**PROFILE:** Intern

- Managed and monitored day-to-day site activities for a government hospital project, coordinating with the Project Manager and Site In-Charge to maintain smooth project execution.
- Worked on RCC, reinforcement, shuttering, excavation, concrete, and masonry activities while monitoring progress against project requirements.
- Prepared Bar Bending Schedules (BBS) from structural drawings, including reinforcement quantities, bar diameters, shapes, bends, and cutting lengths.
- Performed quantity take-offs for concrete, reinforcement steel, shuttering, excavation, and masonry for estimation, material planning, and resource management.
- Calculated and verified reinforcement quantities and checked site execution against approved drawings and specifications.
- Carried out quality control activities including slump tests, concrete cube casting, curing verification, sample identification, and quality documentation.
- Verified executed work quantities on a month-wise basis and prepared Running Account (RA) bill quantity records for project documentation.
- Monitored construction activities for compliance with drawings, specifications, quality standards, safety requirements, and project schedules.
- Coordinated with Engineering, QA/QC, Quantity Surveying, and Billing teams to facilitate timely execution and documentation.
- Maintained site records and monitored construction progress to support project planning, coordination, and reporting.
- Developed practical knowledge of project execution, planning, quantity management, quality control, resource coordination, safety management, and construction documentation.

ACHIEVEMENT DETAIL

Media Head – Tejasvi, College Tech Fest

Led the media team, overseeing photography, videography, editing, and social media coverage for the college tech fest.
