

ROLL NUMBER: P25701013

Ms. Akanksha Avinash Patil
Female

DOB

14-Apr-1999

TECHNICAL SKILLS

- AutoCAD
- MS Office
- MS Project
- Primavera
- Sketchup
- Lumion
- Twinmotion
- 3Ds Max
- Photoshop
- Revit
- Naviswork

PERMANENT ADDRESS

 103, 18 Latitude phase 2, gaikwad
nagar, Punawale.

City: Pune

State: Maharashtra

Pincode: 411033

LANGUAGE

- English
- Hindi

INTERESTS

- Reading
- Traveling

SUMMARY OF QUALIFICATION

Course / Programme	Board / University Name	CGPA/ (%)	Passing Year
MBA-APM	NICMAR University, Pune	8.33	2027
B.Arch. <i>Bachelor of Architecture</i>	SHIVAJI UNIVERSITY, KOLHAPUR.	75.69	2022-Jul
Intermediate <i>Science (PCMB)</i>	MAHARASHTRA STATE BOARD OF SECONDARY AND HIGHER SECONDARY EDUCATION, PUNE	67.54	2017-Mar
High School	MAHARASHTRA STATE BOARD OF SECONDARY AND HIGHER SECONDARY EDUCATION, PUNE	83	2015-Mar

TOTAL WORK EXPERIENCE: 27 month(s)
Meinhardt EPCM

19-Aug-2022 - 29-Nov-2024

2 Years, 3 Months, 10 Days
PROFILE: Junior Manager Architect

TATA MICRON, Sanand, Gujarat | Large-scale semiconductor manufacturing facility

- Led the entrance gate design package, coordinating design development and multidisciplinary inputs to support timely package completion.
- Developed detailed design and GFC documentation across project packages, supporting coordinated project execution and delivery.
- Coordinated architectural requirements with structural, MEP and interior teams, resolving design interfaces to maintain design accuracy and continuity.
- Prepared construction drawings and technical documentation to support site execution and project deliverables.
- Developed raised-floor drawings, including FAB-related requirements, and supported project-specific design coordination.
- Prepared fire evacuation plans and travel-distance studies in line with project requirements.
- Supported administration building interiors including meeting rooms, workstations, day-care, staff lounge and lift lobby, translating design requirements into coordinated deliverables.
- Supported design reviews and multidisciplinary stakeholder coordination, helping maintain quality and consistency across project outputs.

ADANI AIRPORTS – Trivandrum, Jaipur & Guwahati | Airport development & modernization

- Contributed to terminal planning and design development across multiple airport development and modernization projects.
- Prepared GFC drawings, working drawings and project documentation supporting building extensions and modernization works.
- Contributed to Bills of Quantities (BOQs) as part of project design and construction documentation.
- Coordinated architectural requirements with structural and MEP teams, supporting multidisciplinary design reviews and interface resolution.
- Developed 3D models and visual presentations to communicate design intent to project stakeholders and support design reviews.
- Maintained coordinated design documentation and project deliverables across multiple project workstreams.

PMI – Philip Morris International, Turkey | International industrial facility

- Supported concept development and project planning for an international industrial facility project.

MBA-APM | MBA in Advanced Project Management

- Contributed to preparation of the Design Basis Report (DBR) and technical documentation in line with project requirements and global standards.
- Prepared presentations and visual documentation for design reviews and stakeholder communication.
- Supported multidisciplinary coordination during concept and detailed design stages to maintain alignment between project requirements and design deliverables.

Additional Industrial, Commercial & Built Environment Projects

- Prepared GFC drawings, 3D models, presentations and technical documentation using AutoCAD, Revit and SketchUp across industrial, commercial, infrastructure, interiors and landscape projects.
- Coordinated with structural, MEP, interior and other project teams to maintain design accuracy and resolve multidisciplinary requirements.
- Supported client coordination, design reviews and approval processes, helping address design issues and documentation requirements during project delivery.
- Maintained quality and consistency of project deliverables across multiple concurrent workstreams.

INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 35 Weeks)**PRASHANT S HADKAR CONSULTING ENGINEER**

01-Apr-2025 - 31-May-2025

8 Weeks**PROFILE: ARCHITECT**

- Supported concept development and detailed planning for residential design projects.
- Assisted in design development and preparation of architectural solutions across multiple residential projects.
- Supported architectural planning, detailing and working drawings in coordination with the engineering team.
- Gained practical exposure to integrated architectural and structural coordination, supporting alignment between design requirements and engineering inputs.

SACHIN GAIKWAD ARCHITECT, INTERIOR DESIGNER AND LANDSCAPE CONSULTANT

01-Sep-2021 - 05-Jan-2022

18 Weeks**PROFILE: TRAINEE**

- Supported design development and execution of residential and interior projects from concept through handover.
- Prepared architectural planning, detailing and working drawings to support project execution.
- Developed drawings, mood boards and material palettes aligned with client requirements and design intent.
- Participated in on-site coordination and vendor discussions, supporting smooth execution and quality delivery.
- Coordinated design information with project requirements to support execution across residential and interior projects.

Architecture Rushikesh H.

04-May-2026 - 10-Jul-2026

9 Weeks**PROFILE: Project management intern**

- Assisted in preparing working drawing and BOQs, helping complete assigned work before project deadlines.
- Supported project planning across residential and commercial projects.
- Participated in site observations to understand quality, material usage and construction practices.

- Worked on area statements to support project planning and documentation..

CERTIFICATION DETAIL

- Introduction to Corporate Finance
- Project Management: The Basics for Success

ACHIEVEMENT DETAIL

- 2nd place in Snaptrude international design competition (2025)
- Winner for Fashion show at NASA (national association for students of architecture) (2020)
- Won General Championship at NASA (2020)
