

ROLL NUMBER: P25700119

Mr. Sahil Ahmed Sheikh
Male

DOB

27-Aug-1999

TECHNICAL SKILLS

- Construction Contracts & Claims
- Construction Planning & Control
- Project Scheduling
- Project Monitoring
- Quantity & Cost Analysis
- Valuation
- Quantity Surveying
- Advanced Excel
- MS Project
- Primavera P6
- AutoCAD
- BIM
- CostX
- MS Office

PERMANENT ADDRESS

G193/1-c ,near Church, Behind
 Lucky Palace, Bhopal Pura Road ,
 Bhilwara
 City: Bhilwara
 State: Rajasthan
 Pincode: 311001

LANGUAGE

- HINDI

SUMMARY OF QUALIFICATION

Course / Programme	Board / University Name	CGPA/ (%)	Passing Year
MBA-ACM	NICMAR University, Pune	7.28	2027
B.Tech <i>Civil Engineering</i>	SANGAM UNIVERSITY	72.1	2021-Jul
Diploma	SANGAM UNIVERSITY, BHILWARA, RAJASTHAN	83	2018-Jun
High School	BOARD OF SECONDARY EDUCATION , RAJASTHAN	60.5	2015-Apr

TOTAL WORK EXPERIENCE: 12 month(s)
Aditi Constructions

01-Jul-2021 - 30-Jun-2022

0 Years, 11 Months, 29 Days
PROFILE: Site Engineer

Construction Planning, Project Controls & Site Execution

1. Developed weekly and monthly construction work plans to support project scheduling, resource allocation, and timely execution of planned activities.
2. Monitored actual site progress against planned schedules, identified deviations, documented delays, and recommended corrective actions.
3. Prepared daily progress reports (DPRs), manpower utilization reports, and material tracking sheets to support project performance monitoring.
4. Conducted quantity take-offs, verified BOQ items, and reviewed material requirements to support cost control and construction planning.
5. Coordinated with contractors, subcontractors, vendors, and site teams to resolve execution issues and achieve project milestones.
6. Monitored structural and finishing works against approved drawings, technical specifications, and method statements,
7. Reviewed bar bending schedules (BBS), coordinated shuttering inspections, and supported concrete pour planning and execution.
8. Conducted site quality inspections and monitored compliance with prescribed construction specifications, quality procedures, and safety standards.
9. Maintained and reviewed project documentation, including drawings, inspection checklists, progress records and quality reports, to support project tracking and technical reviews.

INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 178 Weeks)
SRI VAARAH Real Assets

04-May-2026 - 04-Jul-2026

8 Weeks
PROFILE: Real Estate Advisor

1. Collected, organized, and analysed real estate market data to support market assessments and business decisions.
2. Prepared analytical reports and performance dashboards to communicate key findings and business metrics.
3. Conducted market research to identify property market trends, customer preferences, and business opportunities.

4. Maintained CRM databases and monitored lead pipelines to support business tracking and reporting.
5. Analysed sales trends and customer data to identify patterns and generate actionable business insights.
6. Supported business planning and strategy development through market intelligence and data driven observations.

AL RAZA CONSTRUCTION COMPANY

10-Jul-2022 - 30-Apr-2025

146 Weeks
PROFILE: Site Engineer (Civil)

Job Responsibilities:
1. Planning:

Prepared and monitored construction schedules, tracked project progress, and coordinated planned site activities for timely execution.

2. Quantity & Billing:

Performed quantity take-offs and site measurements, and prepared and verified contractor/subcontractor bills based on executed quantities.

3. Quality Control & Testing:

Conducted quality inspections and monitored material and workmanship testing to ensure compliance with project specifications and quality standards.

4. Site Execution:

Supervised day-to-day construction activities, monitored workmanship, and ensured execution as per approved drawings and specifications.

5. Progress Monitoring:

Monitored site progress against planned targets, identified execution issues, and coordinated with site teams for timely resolution.

6. Project Documentation:

Maintained progress reports, measurement records, billing documents, quality records, and test reports for project tracking and documentation.

GARUDA DEVELOPERS

01-Jan-2021 - 18-Jun-2021

24 Weeks
PROFILE: INTERN

1. Assisted in engineering calculations and technical analysis related to quantities, concrete volume, steel requirements, and execution sequencing under professional supervision.
2. Supported preparation of Daily Project Reports (DPRs) including work progress, manpower details, and material usage.
3. Assisted in quality control activities such as material inspection, cube testing coordination, and compliance with approved specifications.
4. Supported site execution supervision, ensuring construction works were carried out as per drawings, method statements, and safety guidelines.
5. Helped in basic planning-related activities, including monitoring daily progress against planned work targets.
6. Gained practical exposure to construction practices, documentation, and coordination with site engineers and contractors.

CERTIFICATION DETAIL

- Contracts and Commercial Agreements
- Finance for Non-Financial Managers
- AI Fundamentals

- Data Analysis
- PMP Certification: Exam and Project Management Foundations
- Analyze Real Estate Valuation and Regression Models
- TBMs,Pile Rigs,Cranes & Hauling Vehicles
- Construction Equipment Maintenance & Safety
- AutoCAD / "Introduction to CAD"

ACHIEVEMENT DETAIL

Identified a market gap in technical supervision for individual villa and residential projects and proposed expert consultancy services to bridge the gap between remote architectural oversight and on-site execution, improving quality and specification compliance.

Hosted technical sessions In the **ICCRIP 2025** (International Conference on Construction, real estate, Infrastructure and project management.).

Honoured to felicitate Mr. Sumant Kachru the founder of DigiQC.
