SUMMARY OF QUALIFICATION

Course / Programme	Board / University Name	CGPA/ (%)	Passing Year
MBA-ACM	NICMAR University, Pune	7.33	2027
B.E. <i>Civil Engineering</i>	KLE TECHNOLOGICAL UNIVERSITY	68.1	2025-Jun
Intermediate <i>Science (PCMB)</i>	DEPARTMENT OF PRE-UNIVERSITY EDUCATION(DPUE), DAVANGERE,KARNATAKA	78.5	2021-Jul
High School	CENTRAL BOARD OF SECONDARY EDUCATION(CBSE), DAVANGERE,KARNATAKA	78.2	2019-May

INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 15 Weeks)
White Venture Infratech Private Limited

20-Jan-2025 - 12-Mar-2025

7 Weeks
PROFILE: Intern Site Engineer

- Monitored construction activities, including retaining wall construction, reinforcement placement and shuttering work, to understand execution procedures and compliance with technical requirements.
- Monitored backfilling operations, including soil layering and compaction, and observed adherence to site safety practices.
- Maintained daily records of material consumption and work progress to support site monitoring and documentation.
- Coordinated with contractors and labour teams to track ongoing activities and understand execution challenges and their impact on planned work.

MAHALAXMI RCC CONTRACTORS

01-May-2026 - 01-Jul-2026

8 Weeks
PROFILE: Site Execution Intern

- Monitored construction progress on a 10-storey hospital project using a hybrid structural system comprising CFST steel columns, precast RCC beams, composite decking and structural steel.
- Observed structural erection activities and tracked progress against the site schedule, gaining exposure to construction sequencing and project progress monitoring.
- Assisted in quality checks at interfaces between precast and cast-in-situ elements, including observing bonding-agent application and connection details.
- Monitored concrete pumping and pouring sequences, including basic checks on slump and placement timing, to understand quality control and execution requirements.
- Maintained daily site progress and material records and coordinated with the execution team and contractors to support construction documentation.
- Interpreted construction drawings and technical specifications to understand structural details, execution requirements and coordination between different construction activities.

CERTIFICATION DETAIL

- Primavera P6
- POWER BI
- Claude AI for Project Managers
- Microsoft Excel
