

ROLL NUMBER: P25700391

Mr. Anvay R Gharat
Male

DOB

21-May-2001

TECHNICAL SKILLS

- AutoCAD
- MS Office
- MS Project
- Primavera P6
- CANVA
- Revit
- Cost X
- Naviswork
- MS Powerpoint
- MS Excel
- MS Word.

PERMANENT ADDRESS

Nandadeep CHS, Plot No 70, Sector 9, New Panvel
 City: Raigad
 State: Maharashtra
 Pincode: 410206

LANGUAGE

SUMMARY OF QUALIFICATION

Course / Programme	Board / University Name	CGPA/ (%)	Passing Year
MBA-ACM	NICMAR University, Pune	7.72	2027
B.E. <i>Civil Engineering</i>	UNIVERSITY OF MUMBAI	68.68	2025-Jan
Intermediate <i>Science (PCM)</i>	C.B.S.E (PANVEL, MAHARASHTRA)	67.2	2019-May
High School	C.B.S.E (PANVEL, MAHARASHTRA)	89.3	2017-Jun

INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 92 Weeks)
Akurai PEB LLP

03-Oct-2023 - 19-Feb-2025

72 Weeks
PROFILE: Asst Sales Engineer

1. **Technical Proposal Drafting-** Prepared **technical and commercial proposals** for PEB projects, ensuring alignment with relevant industry standards, tender requirements, project scope, technical specifications, exclusions, payment terms and delivery schedules.
2. **Cost Estimation and Budgeting** - Prepared **detailed project cost estimates** based on preliminary designs, covering structural steel tonnage, accessories, surface treatment, transportation and erection costs.
3. **Scope & Cost Coordination** – Coordinated with design and estimation teams to validate project scope, quantities, technical requirements and commercial assumptions, **ensuring accurate project pricing and profitability.**
4. **Client & Commercial Coordination** – Supported technical and commercial discussions with clients, addressing project requirements, scope clarifications and commercial considerations while maintaining project profitability.
5. **Project Handover & Stakeholder Coordination** – Coordinated project handover with design, engineering and project management teams after contract finalization, communicating scope of work, client expectations, critical design inputs and project timeline requirements.
6. **Project Support & Issue Resolution – Provided technical and commercial support** during design, fabrication and erection stages, resolving scope clarifications and **coordinating with internal teams to address project requirements.**

J.M. MHATRE INFRA PVT. LTD.

30-Jan-2023 - 29-Apr-2023

12 Weeks
PROFILE: SITE EXECUTION TRAINEE

1. **Site Execution & Monitoring** - Assisted senior engineers in supervising and monitoring daily construction activities to support planned project execution.
2. **Contractor & Workforce Coordination** - Coordinated with contractors, labourers and project supervisors to support smooth workflow and timely execution of site activities.
3. **Drawings & Construction Planning** - Studied and interpreted technical drawings, blueprints and project specifications to understand construction requirements and execution sequence.
4. **Progress Monitoring & Documentation** - Maintained daily progress reports, site logs and material usage records for project monitoring and documentation.
5. **Quality Control** - Assisted in quality checks of construction materials including concrete, steel and aggregates.

6. **Safety Compliance** - Supported compliance with site safety requirements and participated in safety awareness activities.
7. **Issue & Delay Reporting** - Reported site-level issues, delays and deviations to senior engineers to facilitate timely corrective action.
8. **Management Reporting** - Assisted in preparing and presenting project progress updates to senior management.
9. **Cross-functional project coordination** - Supported coordination between **design, procurement, and execution teams**.

Desai Construction Pvt. Ltd

04-May-2026 - 03-Jul-2026

8 Weeks**PROFILE:** Planning & Contract Intern

- Assisted in **quantity take-off (BBS, concrete, brickwork, plastering, flooring, and finishing works)**.
- **Prepared and verified contractor RA Bills** based on executed site quantities
- **Measured work** executed on site and coordinated with the site engineering team for billing.
- **Monitored daily work progress** and updated project execution status
- Assisted in **project planning, scheduling, and progress monitoring using Primavera P6**.
- Supported the **project team in preparing and updating project schedules, tracking planned vs. actual progress, and identifying delays**.
- **Shared practical knowledge of Primavera P6 with the planning team** and assisted colleagues in using scheduling features for project monitoring.
- **Coordinated with site engineers, subcontractors, and the planning team** for smooth project execution.
- **Studied drawings (architectural, structural, and RCC)** to understand construction sequencing.
- Developed understanding of **planning, cost control, and coordination between site and office teams**.

Skills Gained

- Developed practical knowledge of billing engineering, quantity estimation, project planning, and progress monitoring for industrial building construction.
- Enhanced proficiency in Microsoft Excel, Primavera P6, BOQ preparation, RA bill verification, and Daily Progress Report (DPR) preparation basics.
- Improved understanding of construction drawings, Bar Bending Schedules (BBS), quantity take-offs, and site execution for RCC, masonry, and finishing works.
- Gained hands-on exposure to planning and execution of four industrial buildings (A, B, C & D) at Maple Industrial Park, Vapi, including coordination with site engineers and subcontractors.
- Strengthened analytical, problem-solving, and communication skills through collaboration with the billing, planning, and execution teams, ensuring timely project progress and accurate documentation.

CERTIFICATION DETAIL

- AutoCAD

ACHIEVEMENT DETAIL

- Was Part of **DTBT European Project** from Jan 2020 to Dec 2020.
- **Made College's website design** of ViMEET with my team WOBLR.
- **2nd Runner up** in state Level Project Competition 2021 (SLPC -2021)
- **Volunteer Head** at ViMEET Khalapur College.
- **Treasurer** at ViMEET Khalapur College.
