INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 12 Weeks)**SBP INFRA**

04-Dec-2022 - 03-Jan-2023

4 Weeks**PROFILE:** Intern Assistant Engineer

- Gained on-site exposure to **State Highway 93**, an infrastructure project valued at **500 crore**, supporting activities along a **13 km highway stretch between Imagicaa and Parali, Maharashtra**.
- Assisted with **site progress monitoring and construction reporting** for assigned highway works.
- Documented **site observations and inspection findings** to support construction monitoring and project documentation.
- Coordinated with site personnel to understand construction activities, execution requirements, and progress updates within the assigned stretch.

D'quor Spaces

05-May-2026 - 05-Jul-2026

8 Weeks**PROFILE:** Project-Coordinator

- Coordinated **progress monitoring across 20 residential villa projects in two sectors** of a **300-acre** secondary-home development, with individual villas valued at 40 to 45 lakh.
- Monitored construction progress against planned activities and maintained project updates to support **schedule tracking and execution reviews**.
- Identified **execution risks associated with resource constraints and challenging hilly terrain**, assessed potential schedule impacts, and supported the identification of mitigation measures.
- Tracked site-level issues and coordinated with contractors, consultants and clients to support **risk response, issue resolution and continuity of construction activities**.
- Prepared **Excel and Power BI dashboards** to consolidate progress information and support project reporting and management reviews.
- Conducted **quality checks on subcontractor work** and documented observations to support compliance with project requirements.
