MBA-ACM	NICMAR University, Pune	8.28	2027
B.E. <i>Civil Engineering</i>	SANT GADGE BABA AMRAVATI UNIVERSITY	97.07	2020-May
Diploma	GOVERNMENT POLYTECHNIC, YAVATMAL, MAHARASHTRA	65.76	2017-Jun
High School	MAHARASHTRA STATE BOARD OF SECONDARY AND HIGHER SECONDARY EDUCATION (SSC)	75.4	2014-Jun

TOTAL WORK EXPERIENCE: 20 month(s)**K Group of Emperors**

01-Jun-2022 - 31-Jan-2024

1 Years, 7 Months, 30 Days**PROFILE:** Interior Designer**Location:** Pune, Maharashtra.

Work under the senior architect as an interior designer with the following roles and responsibilities:

1. Pitch to the client
2. Site survey
3. Planning and designing the project directly with clients
4. Creating Mood Boards
5. Creating design templates as per client requirements
6. Finalisation of designs and quotation (Site supervision if required)

Dynamic Interior designer with full project experience; from site surveys, client pitches, design, execution to site supervision. I have completed more than five outstanding projects that demonstrated adaptability in different residential settings, and those two projects are the best examples of what I learned about the client's point of view, quick and accurate design adjustments, and effective contemporary collaboration with skilled team members.

Site-1 (Row House, Balewadi): A compact space was transformed into a green sanctuary by designing a green balcony with modern furniture, turning the dry balcony into a lush garden and creating a greenhouse feel with optimal ventilation and natural airflow.

Site-2 (G+2 Bungalow, Chinchwad): Created a contemporary residential space with rooftop gym and modern library, combining function and aesthetics.

I also began freelancing in 2024. During this time I designed more than five houses and my first commercial project, which gave me new problems as well as opportunities to explore.

Site-3 ("The Journey" Preschool, Baner): My first commercial interior project, "The Journey" Preschool in Baner, involved designing kid-centric spaces like a kids' library, soil pit, sensation path, and interactive play areas with gardening and climbing zones, showcasing a thorough knowledge of pre-school design standards.

INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 8 Weeks)**UrbanGaon Properties Pvt. Ltd.**

04-May-2026 - 04-Jul-2026

8 Weeks**PROFILE:** Project Management Intern**Location:** Jaipur, Rajasthan.

Worked in Construction Management Department, and as a Project Management Intern my responsibilities were:

- Assisted project planning by means of feasibility studies, BOQs, cost estimation, scheduling, tender documentation and construction planning.
- Reviewed JDA bylaws, environmental clearances, soil reports and contracts to ensure regulatory compliance.
- Prepared AutoCAD/Revit drawings, area statements, as-built drawings and quantity estimates for civil and MEP works.
- Conducted site inspections, prepared technical reports and supported project management, estimation, tendering and execution activities.

PUBLICATIONS DETAIL

Publication Topic: A Review Paper on Comparative Study of Lightweight Concrete and Reinforced Concrete.

The study supports sustainable construction by promoting lightweight concrete, which reduces structural dead load, material consumption, and potentially the overall environmental impact of buildings.

CERTIFICATION DETAIL

- AutoCAD
- 3D Modeling, Animation & Rendering using Autodesk 3DS Max
- 3D Modeling using SketchUp Pro

ACHIEVEMENT DETAIL

Awards & Recognition:
