TOTAL WORK EXPERIENCE: 16 month(s)
infosys

17-Jan-2022 - 09-Jun-2023

1 Years, 4 Months, 23 Days
PROFILE: Systems Engineer

- Supported clients across multiple technology domains by managing and coordinating technical support tickets.
- Categorised and segregated tickets based on technology and assigned them to the appropriate L2 support team members for resolution.
- Performed basic troubleshooting, including clearing file system space, to support system maintenance and smooth operations.

INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 10 Weeks)
Madhya Pradesh Housing And Infrastructure Development Board

11-May-2026 - 11-Jul-2026

8 Weeks
PROFILE: Intern

- Developed a Level of Development (LOD) 100 Revit model for a proposed 30-acre residential and commercial site, providing early-stage massing and spatial visualisations for the organisation.
- Assisted the site engineering team with concrete quality control, slump cone testing and cube casting for M40-grade ready-mix concrete.
- Monitored Mivan (aluminium) formwork assembly, alignment, and de-shuttering cycles, enabling monolithic casting of shear walls and slabs.

OFFICE OF DIVISIONAL PROJECT ENGINEER P.W.D. PIU-2 BHOPAL,

04-Jun-2018 - 19-Jun-2018

2 Weeks
PROFILE: trainee

- Studied structural drawings and Detailed Project Reports (DPR) and participated in site visits to understand construction procedures.
- Assisted in the placement and verification of reinforcement in beams, slabs, and staircases as per structural drawings.
- Supported quality control and supervised concreting activities for structural members under the guidance of the Project Engineer/Assistant Project Engineer.
