- Data for business analysts using Microsoft excel

ACHIEVEMENT DETAIL

During my undergraduate studies at AISSMS College of Engineering, I actively engaged in various technical, co-curricular, and extracurricular activities organized at the college level. These opportunities enabled me to apply my technical knowledge in practical settings while strengthening my competencies in teamwork, leadership, communication, problem-solving, and event coordination. My active participation and contributions were recognized through certificates and participation awards, reflecting my commitment to holistic professional development beyond academics.
