INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 269 Weeks)

Mohamed Sathak AJ Academy of Architecture

23-Nov-2020 - 09-Jul-2025

241 Weeks

PROFILE: School of Architecture

B.Arch Final year thesis: Re-imagining Arapalayam: Redevelopment of a Bus Terminus (Individual Thesis)

**Aim:** This Project proposes a comprehensive solution in the form of an Integrated Bus Terminus with a focus on modern infrastructure, better passenger amenities, and integrated transit planning, which can significantly enhance the city's public transport system. Moreover, it would reflect Madurai's growth as a modern urban nter while preserving its legacy as a city steeped in culture and tradition.

**Objective:** The Primary objective of the proposed design for the Arapalayam Bus Terminus is to transform the current transit facility into a modern, spacious, and efficient transportation hub that meets the growing demands of commuters, enhances urban mobility, and contributes to the city's civic and tourism infrastructure. The Design aims to address existing shortcomings while planning for future scalability.

**Keygoals:**

1. Alleviate Traffic Congestion
2. Enhance Passenger Amenities
3. Provision of demarcated zones for bays, admin, and common access areas.
4. Provision of Recreational zones for the passengers

**Scope of Work:**

1. Master planning of the 7 Acre site for integrated development.
2. Design of Demarcated spaces for Bus bays, Idle Bays, Passenger circulation, Ticketing, Waiting lounges, Admin and control, etc.
3. Design of midscale hotel with short-stay facilities.
4. Integration of commercial, retail, and food court zones.
5. Inclusion of Landscape elements and Public Interaction zones along the riverbank.

### Design Objectives:

1. Ensure passenger-oriented design to ensure comfort.
2. Design for smoother operation of the bus and passengers.
3. Ensure Maximum connectivity through multi-nodal access.
4. Try to keep it environmentally friendly.

### Design Standards and Guidelines followed are from:

1. National Building code 2016
2. NCDBR 2019

### AAGARAM ARCHITECTS

01-Jul-2024 - 22-Nov-2024

**20 Weeks**

#### PROFILE: ARCHITECTURAL FIRM

Intern Architect/ Architectural Intern (Mandatory as per course)

1. Site visits
2. Market-Material Study
3. Client meeting
4. Design processing
5. Documentation
6. I had the chance to prepare the Grayscale presentation drawings of Floor plan and Section of this the Documentation of this Residence, "SITHVILLA", which has been published in Archello magazine - <https://archello.com/it/project/sith-villa>
7. I had the chance to prepare the Grayscale presentation drawings of Floor plan and Section of this the Documentation of this Residence, "Mangal Veedu", which has been published in Archello magazine - <https://archello.com/project/mangal-veedu->

### BSR Infratech

25-May-2026 - 20-Jul-2026

**8 Weeks**

#### PROFILE: Intern

1. Worked as an Intern at BSRIIL, Zone 5 Base Camp, Amaravati.
2. Honoured to be a part in the development of Amaravati, the capital region for Andhra Pradesh.
3. Project: Construction of infrastructure in layouts in Zone 5, Amaravati, Andhra Pradesh—Roads, Drains, Water Supply, Sewerage, and Utility Ducts for Power & ICT.
4. Sites: Abbarajupalem, Borupalem, Dondapadu & Rayapudi
5. Team: Planning and Quantity Surveying Department
6. Role: Documentation, Datasheet Preparations on Chainages, DPR, RFI Filing, Verification of Documents and Drawings.

### CERTIFICATION DETAIL

- IGBC Certification

### ACHIEVEMENT DETAIL

1. Representative of Alumni Affairs, MSAJAA (2023-24)
2. Founding Member of Student Council, MSAJAA
3. Martial Artist: Boxing, Karate-Shitoryu, Wushu, Kobujutsu, Surul

4. Member of Heritage Cell, MSAJAA
5. Executive member, FedArch
