INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 47 Weeks)

APCRDA

18-May-2026 - 31-Jul-2026

10 Weeks

PROFILE: Execution

Assisted APCRDA project teams in construction planning, site supervision, progress monitoring, quality control, quantity tracking, drawing review, concrete and reinforcement inspection, formwork activities, and project documentation. Gained practical exposure to Primavera P6, Excel, construction methodologies, material testing, and coordination among APCRDA, PMC, contractors, and site teams.

VNRVJIET

01-Oct-2024 - 05-May-2025

30 Weeks

PROFILE: Team leader - project

In this project, the water supply system in the PG Block at VNR Vignana Jyothi Institute of Engineering and Technology (VNRVJIET) will be digitally twined using Building Information Modeling (BIM) and Geographic Information System (GIS) technology. For better performance and management, a digital twin is a virtual model of a physical system that allows for analysis, monitoring, and simulation.

MY HOME APAS

06-May-2024 - 03-Jun-2024

4 Weeks

PROFILE: Intern

At MYHOME APAS Constructions Pvt. Ltd. in Hyderabad, where I interned, I got to work on the construction of a high-rise building that had 44 storeys, a ground level, and four basements. I was able to learn a lot about the planning, designing, and carrying out of major residential and commercial construction projects.

PANCHAYAT RAJ ENGINEERING DEPARTMENT , KHAMMAM

05-Jun-2023 - 02-Jul-2023

3 Weeks

PROFILE: INTERN

Throughout my training at Zilla Praja Parishad in Khammam, I acquired practical experience and technical understanding of bitumen road construction. Through this chance, I was able to actively see and comprehend the several phases of road building, from planning to final finishing, and investigate how engineering methods contribute to quality and longevity.
