Task Force Interiors Pvt.Ltd

18-May-2026 - 13-Jul-2026

8 Weeks

PROFILE: Intern

Gained practical experience in site execution and construction management by monitoring ongoing construction activities, coordinating with site teams, and documenting completed works. Assisted in preparing Daily Progress Reports (DPRs), maintaining project records, tracking material consumption and movement, and coordinating material shifting to ensure smooth site operations. Participated in snag identification and rectification, monitored work progress, and supported documentation and reporting activities to maintain quality standards and ensure efficient project execution.

S2D ARCHITECTS

05-Sep-2024 - 23-Jan-2025

20 Weeks

PROFILE: INTERN

Worked on a diverse range of architectural design and development activities, including the preparation of detailed architectural working drawings, schematic designs, and conceptual presentations to effectively communicate design intent and planning concepts. Developed 3D models to visualize spatial layouts, architectural forms, and design elements, supporting the presentation and evaluation of proposed design solutions. Participated in site visits to gain practical exposure to construction methodologies, understand the translation of architectural drawings into on-site execution, observe construction progress, and identify the relationship between design specifications and actual site conditions.

JBR ARCHITECTURE COLLEGE

27-Jan-2025 - 15-Jul-2025

24 Weeks

PROFILE: DESIGN THESIS

Worked on the architectural design and development of a state-level cricket stadium, covering various stages of the design process, including case studies, literature reviews, and desktop research to understand stadium planning, design standards, and functional requirements. Developed conceptual design ideas and translated them into architectural floor plans, elevations, and sections. Created 3D models and rendered views to visualize the proposed design, spatial organization, and overall architectural character of the stadium.
