

ROLL NUMBER: P25702126**Mr. Rahul Rajesh Samant**
Male**DOB**

20-Jul-1999

TECHNICAL SKILLS

- AutoCAD
- MS Office
- MS Project
- Sketchup
- Lumion
- Enscape
- Photoshop
- Excel
- Indesign
- Primavera

PERMANENT ADDRESS

Room No. 4, Chandrauday Colony,
Mahakali Caves Road, Near Little
Flower High School, Andheri East
City: Mumbai Suburban
State: Maharashtra
Pincode: 400093

LANGUAGE

- English
- Marathi
- Hindi

INTERESTS

- Dance

SUMMARY OF QUALIFICATION

Course / Programme	Board / University Name	CGPA/ (%)	Passing Year
MBA-REUIM	NICMAR University, Pune	8.00	2027
B.Arch. <i>Architecture</i>	MUMBAI UNIVERSITY	59.99	2022-Jun
Intermediate <i>Science (PCM)</i>	HSC - MUMBAI, MAHARASHTRA	60.77	2017-Feb
High School	SSC - MUMBAI, MAHRASHTRA	85	2015-Mar

TOTAL WORK EXPERIENCE: 35 month(s)**TINGE By Rhea Truptesh**

01-Jul-2022 - 08-Jun-2024

1 Years, 11 Months, 7 Days**PROFILE:** Jr. Architect**1. Design Development & Project Execution**

- **Assisted senior architects** in creating and developing architectural designs and plans for various projects.
- **Developed** residential and commercial design layouts for various project proposals.
- **Executed** complete interior design implementation for residential flat projects.
- **Contributed** to the development of **detailed design drawings** and specifications, including furniture, lighting, and finishes, using AutoCAD and other design software.
- **Collaborated** with project teams to ensure designs met **client requirements** and adhered to building codes and regulations.

2. 3D Modeling & Technical Visualization

- **Created detailed 3D models** and **photorealistic renderings** for interior/exterior spaces.
- **Generated 3D visualizations** for client presentations and design approvals.
- **Produced** technical drawings and 3D models for **architectural documentation**.
- Conducted **research on building materials, construction techniques**, and design trends to stay updated on the industry.

3. Cost Estimation & Documentation

- **Prepared Bills of Quantities (BOQ)** and project quotations for clients and contractors.
- **Drafted** project specifications, material schedules, and cost estimates.
- **Analyzed material requirements** and coordinated with suppliers to optimize costs.

4. Technical Proficiency

- **Utilized** CAD software and 3D modeling tools for technical drawings and layouts.
- **Applied** architectural design principles in space planning and functionality.
- **Maintained** accurate project records and supported design team workflows.
- Participated in **site visits** and **inspections** to gain **practical knowledge** of construction processes and to ensure design accuracy, identifying potential issues and **understanding** their solutions.

Zeel Architects

11-Jun-2024 - 29-May-2025

0 Years, 11 Months, 18 Days**PROFILE:** Jr. Architect**1. Design Development & Project Execution**

- **Collaborated** on **highrise residential** and **commercial** projects from concept design through working drawings, ensuring compliance with local building codes and client specifications.

- **Designed** building **elevations** and detailed skin **sections** for various residential projects and bungalows.

2. Cost Estimation & Documentation

- **Prepared BOQ's** for interior projects and **quotations** for furniture.
- **Assisted** in interior design layouts, furniture **arrangements**, and material **selection** aligned with **project themes**.

3. Technical Proficiency

- Produced precise **AutoCAD** drawings, including **plans, sections, elevations**, and **detailed construction** documents
Created **SketchUp 3D models** and **high quality renders** for client **presentations**, enhancing design visualisation and stakeholder engagement.
- Developed **Photoshop** based plans, elevations, and presentation boards for both **high rise** and **interior** fit out projects.

4. Client co-ordination & site work

- Conducted **site visits** to monitor progress, **verify dimensions**, and coordinate with **contractors** for design implementation.
- Participated in **client meetings** to discuss design intent, gather feedback, and present proposals.
- **Coordinated** with multidisciplinary teams to resolve technical issues and deliver on time.

INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 9 Weeks)**Kalpataru Ltd**

04-May-2026 - 10-Jul-2026

9 Weeks**PROFILE:** Design Management

- Conducted research and benchmarking of architecture, landscape, interior, lighting, BIM, and signage consultants for ongoing and upcoming projects.
- Prepared consultant databases by compiling company profiles, project portfolios, and relevant experience for evaluation and selection.
- Assisted in the consultant procurement process through preparation of RFQs (Request for Quotation), consultant comparison statements, and approval notes.
- Performed comparative analysis of consultants based on project experience, technical capabilities, and commercial proposals to support consultant selection.
- Maintained and updated the Design Preconstruction Master Tracker to monitor consultant appointments, project milestones, and documentation status.
- Reviewed consultant agreements and contract documents and supported contract management activities during consultant onboarding.
- Coordinated with consultants through professional email communication, follow-ups, and documentation exchange.
- Supported architectural design activities, including space planning for gym, spa, and salon areas; staircase and ramp layout studies; CAD drafting; and review of GA drawings.
- Researched consultants with expertise in high-rise residential developments (200m+ towers) and institutional projects across India and international markets.
- Developed technical presentations and documentation to support consultant evaluation, design coordination, and management decision-making.

ACHIEVEMENT DETAIL

- Held 2nd position in 'Identity' event during Udbhav 2025, conducted at NICMAR University, Pune.
