

ROLL NUMBER: P25700662**Mr. Soham Ravindra Rane**
Male**DOB**

25-Feb-2003

TECHNICAL SKILLS

- AutoCAD
- MS Office
- MS Project
- Primavera
- Revit Structure
- Stadpro

PERMANENT ADDRESS

At Pahi Post Kalamb Tal Karjat Dist
Raigad Neral
City: Raigad
State: Maharashtra
Pincode: 410101

LANGUAGE

SUMMARY OF QUALIFICATION

Course / Programme	Board / University Name	CGPA/ (%)	Passing Year
MBA-ACM	NICMAR University, Pune	7.97	2027
Graduation	MUMBAI UNIVERSITY	63.45	2024-Aug
Diploma	G.V ACHARYA POLYTECHNIC SHELU MAHARASHTRA	83.53	2021-Jun
High School	MAHARASHTRA STATE BOARD OF SECONDARY AND HIGHER SECONDARY EDUCATION PUNE	65.2	2018-Mar

INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 16 Weeks)**Pyramid lifestyle Limited**

06-May-2026 - 02-Jul-2026

8 Weeks**PROFILE:** Assistant Site Manager

- **Site Management:** Supervised day-to-day site execution and operational workflows across residential and commercial building construction, coordinating directly with subcontractors, site supervisors, and trade crews to ensure activities aligned with approved project plans and milestones. **Contributed to reducing construction cycle time from 16 days to 13 days (18.75% reduction)** through effective workflow coordination and timely resolution of site bottlenecks.
- **Technical Supervision:** Provided continuous technical guidance and site-level supervision to field teams for structural and architectural execution, ensuring compliance with engineering drawings, technical specifications, quality standards, and site safety protocols.
- **Project Coordination:** Tracked and monitored construction activities against master and weekly execution schedules, enabling early identification of site bottlenecks, resource constraints, and operational delays to maintain planned execution sequences and improve site productivity.
- **Quality Assurance:** Led mandatory quality control and pre-concreting inspections covering reinforcement details, formwork alignment, and shuttering integrity prior to concrete pours; supervised on-site fresh concrete sampling and **slump testing** to verify compliance with specified quality requirements.
- **Progress Reporting:** Systematically tracked, verified, and followed **Daily Progress Reports (DPRs), weekly progress updates, and site issue logs**, maintaining accurate project documentation and providing timely information for management reviews and decision-making.

CIDCO Mass Housing Project

13-Jun-2022 - 13-Aug-2022

8 Weeks**PROFILE:** Site Engineer

- **Precast Operations & High-Rise Execution:** Managed on-site erection and assembly sequences for heavy precast concrete structural elements (precast beams, columns, wall panels, and hollow-core slabs) using specialized crane logistics for large-scale mass housing modules.
- **Precast Jointing & Quality Supervision:** Conducted rigorous quality inspections on precast joint details, non-shrink grouting, alignment tolerances, and cast-in-place structural tie connections to ensure structural integrity and compliance with design standards.
- **Resource Coordination & Site Management:** Coordinated daily site operations across multidisciplinary teams, managing material handling, precast element delivery schedules, and crane positioning to eliminate site bottlenecks and ensure seamless workflow.
- **Quality Assurance & Pre-Pour Inspections:** Supervised reinforcement checks for cast-in-situ junction pours and conducted fresh concrete sampling (slump and cube strength testing) to verify compliance with technical specifications.
- **Site Safety & Progress Reporting:** Enforced strict site safety standards during heavy element lifting and precast assembly operations; generated Daily Progress Reports (DPRs), weekly tracking matrices, and site logs for executive updates.

CERTIFICATION DETAIL

- Data Analysis
- Leadership Skills
- Project Admin (scholar)

ACHIEVEMENT DETAIL

1. 3rd Rank at BenchPress Competition
2. 2nd Rank at Tug of war
