SUMMARY OF QUALIFICATION

Course / Programme	Board / University Name	CGPA/ (%)	Passing Year
MBA-ACM	NICMAR University of Construction Studies, Hyderabad,Telangana	7.42	2027
B.Arch. <i>Architecture</i>	CHETTINAD ACADEMY OF RESEARCH AND EDUCATION	73	2024-Jul
Intermediate <i>Science (PCM)</i>	BOARD OF SECONDARY EDUCATION , ANDHRA PRADESH , INDIA	74.6	2019-May
High School	BOARD OF SECONDARY EDUCATION , ANDHRA PRADESH , INDIA	95	2017-Mar

INTERNSHIP / PROFESSIONAL TRAINING (Total Duration: 103 Weeks)

RRBUN SHAPES Pvt.Ltd

04-Nov-2024 - 11-Jul-2025

35 Weeks

PROFILE: Junior Architect

- Working on residential projects such as My Home Farmhouse, ACE Ananta and Sumadhura GBTB applying my skills in design and project development.
- Preparing GFC (Good for Construction) drawings and co ordinating with the site team for projects like Sia Prospera, SANCTUM -The villa ensuring drawings met project requirements.
- Creating detailed drawings for various projects as per firm needs.
- Developing Photoshop presentations for multiple projects, effectively communicating design concepts to clients and stakeholders.

Through this role, I honed my skills in architectural design, drawing preparation, and visual presentation, gaining valuable experience in handling diverse projects and collaborating with teams to deliver quality outcomes.

Adarsh developers

03-Jun-2026 - 29-Jul-2026

8 Weeks

PROFILE: Intern

Intern | Design Coordination & QA/QC Department | Adarsh Greens

Liaised with site teams, engineers, and supervisors to facilitate a smooth progression of the project.

- Supported Quality Control and Quality Assurance activities material inspection work monitoring compliance checks with the project specifications
- Updated with QA/QC documentation as well as also Maintained inspection reports and site records on daily basis
- Supervised current construction work for quality and safety
- Resolution of quality issues and monitoring project progress
- Practical exposure in site coordination, documentation and quality management on large residential projects

SPAARCS Architects and interior designers

01-Mar-2023 - 23-Jun-2023

16 Weeks

PROFILE: Intern

Intern at Spaarcs Architects

During my internship at Spaarcs Architects, I gained hands-on experience in architectural design and project coordination. My key responsibilities included:

MBA-ACM | MBA in Advanced Construction Management

- Development of working drawings and designs for various projects, focusing on interiors and external facade designs.
- Creating 3D models to visualize and present design concepts.
- Coordinating with clients, project managers, and vendors to ensure smooth project execution. Notably, I managed client relationships and communications for a commercial interior project in Guntur, ensuring alignment with client expectations and project requirements.
- Preparing high-quality Photoshop presentations for project brochures and plans, effectively communicating design intent to stakeholders.

Through this experience, I developed strong skills in design, coordination, and communication, and gained valuable insights into the architectural industry.

Nannapaneni Associates

23-Feb-2022 - 22-Mar-2022

3 Weeks

PROFILE: Intern

Architecture Intern, Nannapaneni Associates

During my one-month internship in my second year of studying architecture, I gained hands-on experience in the practical aspects of construction and design. Key highlights of my internship include:

- Learning about various construction materials, their applications, and practical usage in real-life projects.
- Understanding construction drawings and details, and applying this knowledge to design projects.
- Designing specific elements such as compound walls, doors, rooms, and toilet details, which helped me develop my skills in creating detailed architectural designs.

This internship provided me with valuable insights into the construction industry and helped me bridge the gap between theoretical knowledge and practical application. I gained a deeper understanding of architectural design and construction processes, which will be beneficial for my future career in architecture.

Chettinad school of Architecture

01-Aug-2023 - 14-May-2024

41 Weeks

PROFILE: Thesis

Undergraduate Thesis project : Energy Efficient University Campus

Developed an architectural thesis to achieve net-zero energy performance through designing an energy efficient university campus. Researched energy conservation strategies, sustainable architecture design and use of natural resources to improve building efficiency, minimizing environmental impact.

CERTIFICATION DETAIL

- The Indian Green Building Council Certification
- Architecture as profession : De bunking myths
- SITE SELECTION AS EFFECTIVE PROJECT MANAGEMENT TOOL
- EMERGING TRENDS AND OPPORTUNITIES IN BUILT ECOSYSTEM

ACHIEVEMENT DETAIL

- Worked as an Organizing team member of university fest
Worked as an organizer at college symposium CHETSOAR
Participated in photography, competition of a college symposium, Tamil Nadu state wise
Participated in many webinars, such as EMERGING TRENDS AND OPPORTUNITIES IN BUILT ECOSYSTEM
SITE SELECTION AS AN EFFECTIVE PROJECT MANAGEMENT TOOL
MIND, SOUL & BODY
CONNECTED THROUGH YOGA
Attended many workshops, such as arts, resin, workshops, texture, paint, bamboo workshop,

Hands on Workshop about natural construction at Auroville
